School District Charged With Failing To Comply With Law In Regard To Public Recreation

Members of the board of directors of the Gettysburg Recreation association charged at the board's September meeting in the law offices of Swope, Brown and Swope Tuesday evening, that the Gettysburg school district has not complied with the provisions of the state law relative to public recreation, and that the recreational program in Gettysburg "hasn't cost the district a penny."

As a result of the discussion, the board adopted a motion directing the president, Attorney Richard A. Brown, to contact or write the school board, calling attention to the provisions of the act and to see what steps can be taken to obtain funds for the school district.

Urges Action Now
"It's the law," Mr. Brown declared. The spirit of the act is not being observed. The theory under which schools control recreation is that they also contribute." Glenn L. Bream, vice president of the board, said "It is important that we act now in view of the fact that the Community Chest has lopped \$500 from our appropriation."

A committee appointed at the July meeting to investigate the purchase of a mower for the Recreation park was discharged, and the board voted to ask the borough council if arrangements could be made to have the grass cut with the borough mowing machine.

The treasurer was authorized to endorse a number of checks, totaling about \$300, to the Gettysburg Softball association. The checks were for advertisements in a program issued by the softball association for the state tournament here last summer. The checks had been made payable through mistake, to the recreation association instead of the softball association.

Director Reports
Brown said that the accounts of the recreation association had been audited by the borough auditors, and it was directed that a copy be sent to the finance committee of the Community Chest.

Donald Joseph, recreation director, reported that the summer's attendance at the two playgrounds totaled 8,986. There were 2,716 at the High street school playground and 6,270 at the other playground.

OUTLINE PLAN OF ACTIVITIES FOR TROOP 78

Plans for a number of activities were outlined Tuesday evening at a meeting of the committee of Boy Scout Troop 78 held at the home of Bernard V. Miller, Gettysburg R. 1.

Scouts John Irvin and William Cole and Scouters Charles Hemler and Fred Faber, Jr., were delegated to attend a senior leadership camp to be held October 13 and 14 at Camp Chickadee, near Lancaster.

Thursday, October 25, was set as the time for a parents night and court of honor to be held for the troop. Assistant Scoutmaster Faber reported that members of the troop over the past several months have completed successfully the requirements for 39 merit badges. Four passed the requirements for Star Scout and three for Life Scout at a recent board of review. Formal presentation of the badges will be made at the court of honor.

Plan Halloween Party
Tentative plans were also discussed for a Halloween party to be held within the Halloween period at the end of October. General plans were also discussed for transportation of the troop members to Conewago chapel on the second Sunday of October for the 200th anniversary celebration there. A Pennsylvania Week program will be held at the troop meeting October 18, the committee decided.

Assistant Scoutmaster Faber reported on the recent district meeting. Dr. Joseph H. Riley listed tentative plans for the district committee dinner meeting in November. Scoutmaster Charles Hemler reported on a recent camping trip held by the troop at Weishaar's meadow, near Fairfield.

Plans were discussed for the turkey party held annually to raise funds for the troop. The party was tentatively set for December 10. A concentrated drive for new members was also outlined at Tuesday's session.

MECO INCREASES POWER SERVICE; COSTS \$125,000

A new \$125,000 substation and 13,200-volt power line is being constructed by the Metropolitan Edison company to serve the consumers of Orrtanna, Fairfield and other adjacent areas. Richard E. Dreas, manager of the local office of the utility, said today.

The purpose of the expansion program is to provide more power in those areas.

The heavy power line will extend six miles from a point near the Sun oil plant, north of Gettysburg, on the Biglerville road, to Orrtanna where a new 1500 KVA substation is under construction.

J. D. Munshower, local line foreman for MECO, said he hopes to place the line and substation in service some time next month.

Mr. Dreas said the project is part of the Metropolitan's improvement program for this area.

Three photographs of the crew laying the power line are shown on Page 6.

Police Recover Stolen Car Tags

Lincoln's Features Carved Into 1,318-Carat Sapphire

Los Angeles, Sept. 26 (P)—Abraham Lincoln's features have been carved in perpetuity in a 1,318-carat sapphire valued at \$250,000 and owned by James and Harry Kazanjian of Los Angeles.

The "Lincoln in Sapphire" has just been completed in black with a few indistinguishable touches of deep translucent blue. It was carved during two years of work from one of the five largest known sapphires in existence.

Three of the other gems will be carved likewise, probably into the likenesses of Andrew Jackson, George Washington and Henry Ford, to provide a series of "Great Americans in Sapphire." The sapphire bust of Lincoln is not for sale. It was carved by Norman Maness, steel engraver and die maker.

The fifth of the five large gems, "The Star of Queensland," was polished into a star sapphire and is on tour of the United States.

The sapphire of the coronation family, ranks second to the diamond in hardness, and Maness used diamond grit to shape the head and features. He employed tiny wheels 1/64 inch in diameter for the finishing touches.

PARADE DEC. 10 TO OPEN XMAS SEASON HERE

Gettysburg's Christmas season will open with a gala program December 10, according to plans announced Tuesday evening at a meeting of the Gettysburg Retail Merchants' association at the court house.

Members of the association accepted a recommendation of its Christmas opening committee that stores remain open evenings from December 10 through December 29, with the exception of Sunday, and that the stores close December 24 at 6 p.m.

At the same time the group agreed to hold the formal opening of the Christmas season with the turning on of the Christmas lights and the Christmas parade, on the evening of December 10.

Plan Floats, Balloons
John D. Luppy, Jr., chairman of publicity and promotion, urged members of the merchants' group to sponsor floats in the parade. Among the features of the parade will be a number of huge balloons. Luppy said. Several balloons to be carried in the parade, and bearing the inscription "Merry Christmas" will be filled with helium and released from Lincoln Square at the conclusion of the parade.

Attached to the balloons will be a letter addressed to whoever finds them when they finally return to earth. Cash awards will be given the finders if they contact the local Retail Merchants' association.

Reports on the recent Gettysburg Sales day indicated that the merchants will be able to provide an improved Christmas lighting program for the borough this year.

Have 96 Members Now
Charles Bender, president of the association, noted, "The Sales days were not only a greater success than we had hoped, but they also provided a painless way of paying for our Christmas lighting. We should have one of the best displays in years this Christmas season, and we'll be able to pay for it from the money made by selling supplies for the Sales days to the merchants."

UN Again Rejects Red Demand On Cease-Fire Talks; 256 Jets In Furious Fight; Reds Lose 14

U. N. Command Headquarters, Korea, Sept. 26 (P)— Allied planes destroyed or damaged 14 Communist planes over northwest Korea in history's greatest day of all-jet battles. There were 256 jets in action. The number dwarfed all previous jet actions for a single day.

Seventy-seven Allied jets tangled with 120 Russian-type MIGs in a roaring duel Wednesday morning over northwest Korea's MIG alley. It was the biggest battle in jet fight of all time.

The U. S. Fifth air force said its planes proudly destroyed one Red jet and damaged four. It said no Allied planes were lost.

Then 24 American Thunderbolts washed back at a MIG alley in the afternoon and crashed with 35 MIGs.

"Vicious Attack"
The score, as reported by Fifth air force, One MIG proudly destroyed eight damaged. It gave no report on the American planes.

The afternoon battle was joined at 15,000 feet near Samnang. The MIGs roared in fast and forced the Thunderbolts to jettison their bomb loads before they had made their target runs.

The two formations met head-on in a vicious attack. They began firing when 3,000 yards apart. The MIGs broke away at about 500 feet as the Thunderbolts held steady.

There were two more head-on passes. Then the MIGs turned and streaked back to their Manchurian bases.

In the morning battle, 120 MIGs roared off the north in a bold attempt to block an Allied smash at Communist rail lines. Seventy-seven American and Australian jets flew in the Allied armada.

Here And There

News Collected At Random.

The local Red Cross chapter is renewing its appeal for blood donors. The need is urgent. The medical corps in Korea is using thousands of pints of blood every week. It looks to the home front to keep it supplied.

The local quota is 3,000 donors. Volunteers thus far total approximately 400.

The Philadelphia Inquirer recently explained the situation in a very much-to-the-point editorial as follows:

"Instead of the 300,000 pints a month needed for military purposes alone, donations have been running as low as 25,000 for the whole nation."

"It is obvious that Americans are not taking the blood program seriously as it is now organized. Whole communities should be coming forward almost en masse to keep up the precious flow of life-saving blood and blood plasma. But nothing of the sort is happening."

There is need for drastic action to change this picture. The lives of our fighting men are too precious, the safety of our home front population too important, to permit this situation to continue. Unless the quotas are more than met from now on, it will be only a matter of weeks before men may be dying because of civilian delinquency."

Some persons seem unsure as to the number of men a number may legally kill in Pennsylvania in 1951. It is one person per year.

In the interest of complete understanding, the Game Commission issues the following statement: There will be three separate deer seasons this year as follows:

The first will be for the archers only October 15 to 27 inclusive, every Sunday October 21. In addition to a 100-acre permit.

SOROPTIMISTS MEET AT DINNER

A refresher course for Soroptimists was conducted Tuesday evening by Mrs. Guyon E. Buehler, a member of the executive board of directors of clubs of the North Atlantic region, at a dinner meeting of the Gettysburg club attended by members of the neighboring clubs of Hanover, York, Carlisle and Chambersburg.

Following the course, which included a quiz on the constitution and bylaws of the Federation, presidents of the visiting clubs and Mrs. Donald E. Myers, president of the Gettysburg club, reported on projects and results, both for fun and finances, of their respective groups during the last year. Mrs. Vena Reber, president, responded for the Hanover club; Mrs. James Spangler, president of the York club; Miss Pauline Garver, Carlisle club president, and Mrs. Lula Carl, president of the Chambersburg club.

Minister To Speak At Former Charge

The Rev. Dr. George Berkheimer will return to his home congregation when he speaks at the Homecoming service at St. John's Evangelical Lutheran church, Abbottstown, at 10:30 o'clock. He is secretary of the Central Pennsylvania synod, with offices in Harrisburg.

Rev. L. J. Karschner, pastor of the church, announced that a special feature of the day's program will be the dedication of a newly constructed entrance to the cemetery. A gift of Mr. and Mrs. Charles Diehl, of York, it is given to honor the memory of Mrs. Diehl's parents, Mr. and Mrs. Frank Dietrich. The service will be held after the morning worship service.

FORMER LOCAL RESIDENT DIES AFTER ACCIDENT

Thomas E. Whittinghill, 26, formerly of Gettysburg and Waynesboro, died at 2 o'clock this morning at a Louisville, Ky., hospital from injuries received in an automobile accident Friday night.

Few details were available here concerning the accident other than that his car struck a utility pole. He was unconscious when he arrived at the hospital and remained so until death. An emergency operation was attempted at the hospital Monday afternoon.

Son of a former superintendent at the Gettysburg furniture factories, he attended the local schools and served for three years as a dental technician in the navy during World War II.

Leaves Widow, Two Children

He was employed by the Gettysburg Publishing company and then served as an advertising manager for the Waynesboro Record-Herald for about two years before accepting a post as an advertising representative of the Louisville, Ky., Courier.

Surviving are his wife, the former Amelia Hemler, daughter of Mr. and Mrs. Francis Hemler, Buford avenue; two children, Thomas, Jr., and Timmy; his mother, Mrs. L. L. Whittinghill, New Albany, Ind.; six sisters, all residing in the New Albany area, and a brother, Richard Whittinghill, currently serving with the army in Georgia.

Funeral arrangements are incomplete but will be held in New Albany.

SCHOOL GRIDDER HAS TOUGH JOB, COACH ASSERTS

Football has undergone many changes since the war years, and boys today have to work a lot harder, Howard Shoemaker, head football coach at Gettysburg high school, told members of the Exchange club at their weekly dinner meeting Tuesday evening at Banker's restaurant.

tor of the local church, announced today. This program will be similar to the national convocation held in Cleveland last April.

The afternoon program will open at 3:30 o'clock with congregational singing led by Rev. Porter W. Seiwel, of Shippensburg. Dr. Bader will speak on "Time for Greatness in the Church." He will be presented by Dr. Oliver K. Maurer, of Red Lion.

At 4:30 o'clock there will be four conferences conducted by Rev. George H. Bricker, of Waynesboro, Rev. W. Wilson Carvell, Chambersburg. (Continued on Page 3)

MOOSE WOMEN PLAN MEETINGS

The Gettysburg Chapter of the Women of the Moose will be hosts for the Star Recorders' Day to be held Sunday at the Moose home, York street, for members of the Gettysburg, York, Hanover, Carlisle and Chambersburg Women of the Moose.

The Star Regents program will be one of two convocations of Women of the Moose to be held here according to reports presented Tuesday evening at the regular meeting of the Women of the Moose held in the Moose home.

Second Program

The second program will occur October 28 when the local chapter will entertain members from chapters throughout the state at a statewide convocation of the College of Regents of the WOM.

Fifty attended Tuesday night's session with Mrs. Sara Riggs, publicity chairman, in charge of the program. Mrs. Marcella Harpster and Miss Martha Strausbaugh gave readings. Mrs. Treva Ziegler spoke on "Publicity, and What Newspapers Would Like to Receive As News Reports." Four new members were initiated. Senior Regent Marie Keller presided.

20 Will Attend NCCW Youth Party

Approximately 20 from St. Francis Xavier parish here will attend the Coneywago Deanery NCCW youth party to be held tonight from 8 to 11 o'clock at Corpus Christi parish hall, Chambersburg, for young people 14 years of age and over.

Twenty have contacted the local chairman, Miss Jane Stallsmith, to arrange for transportation to the party. She announced that others who may wish to attend should join the group at the local parochial school, West High street, at 7 o'clock tonight.

Lincoln's Features Carved Into 1,318-Carat Sapphire

Los Angeles, Sept. 26 (AP)—Abraham Lincoln's features have been carved in perpetuity in a 1,318-carat sapphire valued at \$250,000 and owned by James and Harry Kazanjian of Los Angeles.

The "Lincoln in Sapphire" has just been completed in black with a few indistinguishable touches of deep translucent blue. It was carved during two years of work from one of the five largest known sapphires in existence.

Three of the other gems will be carved likewise, probably into the likenesses of Andrew Jackson, George Washington and Henry Ford, to provide a series of "Great Americans in Sapphire." The sapphire bust of Lincoln is not for sale. It was carved by Norman Maness, steel engraver and die maker.

The fifth of the five large gems, "The Star of Queensland," was polished into a star sapphire and is on tour of the United States.

Catholic Mothers Plan Rummage Sale

A rummage sale sponsored by the Mothers' club of St. Francis Xavier Catholic school will be held Friday from 8 a.m. to 5 p.m. and from 7 to 9 p.m. and on Saturday from 8 a.m. to 5 p.m. in the first room of Xavier hall.

The committee for the sale includes Mrs. Joseph H. Riley, Mrs. Bernard Miller, Mrs. James Parks, Mrs. Joseph L. Rosensteel, Mrs. Harold Culp, Mrs. Paul Ramer, Mrs. Julian Estep, Mrs. Richard Codori, Mrs. Charles Hemler, Mrs. William Jacobs, Mrs. Wilbur Knox, Mrs. William Sundermyer, Mrs. Leo McDermit and Mrs. Bernard Hemler. Those wishing to donate for the sale were asked to contact any member of the committee or to leave articles at the school Thursday afternoon between 2 and 4 o'clock.

MECO INCREASES POWER SERVICE; COSTS \$125,000

A new \$125,000 substation and 13,200-volt power line is being constructed by the Metropolitan Edison company to serve the consumers of Orrtanna, Fairfield and other adjacent areas, Richard E. Dreas, manager of the local office of the utility, said today.

The purpose of the expansion program is to provide more power in those areas.

The heavy power line will extend six miles from a point near the Sun oil plant, north of Gettysburg on the Biglerville road, to Orrtanna where a new 1500 KVA substation is under construction.

J. D. Munshower, local line foreman for MECO, said he hopes to place the line and substation in service some time next month.

Mr. Dreas said the project is part of the Metropolitan's improvement program for this area.

Three photographs of the crew laying the power line are shown on Page 6.

Police Recover Stolen Car Tags

A local dentist, Dr. Joseph H. Riley, North Stratton street, has been without his automobile licenses for the past week while they went joy-riding over parts of several states on a stolen car, according to the local state police.

The plates were stolen from Doctor Riley's car at Harrisburg, by a thief or thieves who later placed the plates on a car stolen from Muncy, Lycoming county. Monday the plates were recovered when the stolen car was found in Maryland, by police there. They forwarded the plates to the state police substation here, where a check disclosed the owner.

Training Program To Open Tonight

The first session of a 26-week correctional training program course, to be held at the court house here under sponsorship of the state Department of Public Instruction, will be held this evening at 7:30 o'clock at the court house.

The course, open to policemen, justices of the peace, teachers and others interested in the handling of delinquents, will be held in weekly sessions. Those who wish to attend are asked to be present at the opening session tonight.

PARADE DEC. 10 TO OPEN XMAS SEASON HERE

Gettysburg's Christmas season will open with a gala program December 10, according to plans announced Tuesday evening at a meeting of the Gettysburg Retail Merchants association at the court house.

Members of the association accepted a recommendation of its Christmas opening committee that stores remain open evenings from December 10 through December 22, with the exception of Sunday, and that the stores close December 24 at 6 p.m.

At the same time the group agreed to hold the formal opening of the Christmas season with the turning on of the Christmas lights, and the Christmas parade, on the evening of December 10.

Plan Floats, Balloons

John D. Lippy, Jr., chairman of publicity and promotion, urged members of the merchants' group to sponsor floats in the parade. Among the features of the parade will be a number of huge balloons, Lippy said. Several balloons to be carried in the parade, and bearing the inscription "Merry Christmas" will be filled with helium and released from Lincoln Square at the conclusion of the parade.

Attached to the balloons will be a letter addressed to whoever finds them when they finally return to earth. Cash awards will be given the finders if they contact the local Retail Merchants association.

Reports on the recent Gettysburg Sales day indicated that the merchants will be able to provide an improved Christmas lighting program for the borough this year.

Have 96 Members Now

Charles Bender, president of the association, noted, "The Sales days were not only a greater success than we had hoped, but they also provided a painless way of paying for our Christmas lighting. We should have one of the best displays in years this Christmas season, and we'll be able to pay for it from the money made by selling supplies for the Sales days to the merchants."

UN Again Rejects Red Demand On Cease-Fire Talks; 256 Jets In Furious Fight; Reds Lose 14

U. N. Command Headquarters, Korea, Sept. 26 (AP)—Allied pilots today destroyed or damaged 14 Communist planes over northwest Korea in history's greatest day of all-jet battles. There were 256 jets in action. The number dwarfed all previous jet actions for a single day.

Seventy-seven Allied jets tangled with 120 Russian-type MIGs in a roaring duel Wednesday morning over northwest Korea's MIG alley. It was the biggest single jet fight of all time.

The U. S. Fifth air force said its pilots probably destroyed one Red jet and damaged four. It said no Allied planes were lost.

Then 24 American Thunderjets swooshed back into MIG alley in the afternoon and clashed with 35 MIGs. "Vicious Attack"

The score, as reported by Fifth air force: One MIG probably destroyed, eight damaged. It gave no report on the American planes.

The afternoon battle was joined at 15,000 feet near Sinanju. The MIGs roared in fast and forced the Thunderjets to jettison their bomb loads before they had made their target runs.

The two formations met head-on in a vicious attack. They began firing when 3,000 yards apart. The MIGs broke away at about 500 feet as the Thunderjets held steady.

There were two more head-on passes. Then the MIGs turned and streaked back to their Manchurian bases.

In the morning battle, 120 MIGs roared out of the north in a bold attempt to block an Allied smash at Communist rail lines. Seventy-seven American and Australian jets flew in the Allied armada.

Here And There

News Collected At Random.

The local Red Cross chapter is renewing its appeal for blood donors. The need is urgent. The emergency is acute. The medical corps in Korea is using thousands of pints of blood every week. It looks to the home front to keep it supplied.

The local quota is 3,000 donors. Volunteers thus far total approximately 400.

The Philadelphia Inquirer recently explained the situation in a very-much-to-the-point editorial as follows:

"Instead of the 300,000 pints a month needed for military purposes alone, donations have been running as low as 35,000 for the whole nation. "It is obvious that Americans are not taking the blood program seriously as it is now organized. Whole communities should be coming forward almost en masse to keep up the precious flow of life-saving blood and blood plasma. But nothing of the sort is happening."

"There is need for drastic action to change this picture. The lives of our fighting men are too precious, the safety of our home front population too important, to permit this situation to continue. Unless the quotas are more than met from now on it will be only a matter of weeks before men may be dying because of civilian delinquency."

Some persons seem unsure as to the number of deer a hunter may legally kill in Pennsylvania in 1951. It is one per hunter.

In the interest of complete understanding, the Game Commission issues this clarifying statement: There will be three separate deer seasons this year, as follows:

John C. Stahle Named District Supervisor

John C. Stahle, North Washington street, has been appointed district supervisor of central Pennsylvania for the Sun Life Assurance company of Canada. His office is in the Weaver building, Lincoln Square.

Mr. Stahle has returned from the home office in Montreal, where he and a group of others attended the district supervisors' school last week. He was graduated from Gettysburg high school in 1936, attended Gettysburg college for three years, and graduated from West Point with the class of 1943.

TWO WORKMEN HURT

Two "pentagon" project workers were treated at the Waynesboro hospital for minor injuries, Clifford Keilholz, 29, of Fairfield, suffered laceration on his forehead and nose when struck by an air hose. Samuel Stratiff, 36, of Williamsport, Md., received a cut over his right eye when struck by a drill bit.

Tokyo, Sept. 26 (AP)—The United Nations command today rejected another Communist suggestion that full-dress Korean truce talks be resumed immediately.

The Allies insisted that arrangements first be made to prevent further interruptions when the meetings are resumed.

The Reds made their repeat proposal at a meeting of Allied and Communist liaison officers in Kaesong, Korea, site of the stalled cease-fire talks.

It was the third and longest session held by the liaison teams in an effort to get the talks rolling again.

Make No Progress

The Wednesday meeting lasted one hour and 20 minutes. The first liaison session, on Monday, lasted an hour. The second, held Tuesday, ran only 50 minutes. Communist officers stalked out angrily at the climax of an argument over just what around the liaison talks should cover, the Allied command said.

Thus the Reds and Allies were right back where they started when the liaison talks began.

The Reds still were demanding immediate resumption of the truce talks by the full delegations. The U. N. command was insisting that the liaison officers agree on conditions which will prevent further interruptions of main armistice talks.

The Reds broke off the Kaesong talks August 23 after charging that an Allied plane bombed the conference site in an attempt to murder the Red delegation. The U. N. command denied the charge.

Allies Are Ready

When the Reds stalked out of the liaison meeting Tuesday, they left no indication that they would come back.

Gen. Matthew B. Ridgway, supreme Allied commander, asked them Tuesday night to continue the liaison meetings. A Red note delivered Wednesday said they would, and U. N. command liaison officers immediately flew from their advance camp at Munsan to Kaesong for the third meeting.

RED CROSS TO HOLD ANNUAL SESSION OCT. 30

Plans for the annual membership dinner meeting of the Adams county Red Cross chapter to be held Tuesday, October 30, at the YWCA building were announced Tuesday evening by Mrs. Albert Bachman, chapter chairman, at the September meeting of the chapter's board of directors.

Arrangements for the dinner are in the hands of a committee headed by Mrs. Edmund W. Thomas and including Mrs. Bruce N. Wolff and Mrs. R. A. Campbell. The nominating committee includes Mrs. R. S. Saby, Mrs. Robert Kenworthy, Mrs. Kermit Hereter and Mrs. C. Ross Shuman.

The annual election of directors will take place at the business session of the annual meeting and it was decided that the new board will elect its officers at an organization meeting to be held after the general session October 30.

Two Appointments

Reports on the recent national Red Cross convention at New York city were given by Mrs. Frank H. Kramer, Mrs. Bachman and Mrs. Elizabeth Pennington, executive secretary.

The appointments of Mrs. Frank Kramer as acting vice chairman for chapter volunteer groups and Mrs. Rex Rice as the new motor corps chairman were announced during the meeting.

Radford H. Lippy, blood donor committee chairman, said 150 counties will be given appointments for the first Blood Donor Day here October 19. Efforts are being made, he said, to re-enroll as donors who gave blood here during World War II. He said 87 of the 1,500 were Gallon club members. Mr. Lippy said there (Continued on Page 2)

GOP NEEDS HELP WITH MODIFIED INCOME TAX BILL

Harrisburg, Sept. 25 (AP)—The Republican administration is expected to introduce a modified income tax bill today for a modified one-half of one per cent income tax.

The last show of hands among Republican senators indicated they may need as many as five to seven Democratic votes to pass the bill in the Senate.

The GOP leadership acted as though they had the bill in the Senate, but the bill is in position for a final vote tomorrow. But Democrats were for the most part silent on their plans.

Sen. John J. Harbo, D-Camden, said the GOP could get no more than the Democratic votes for the bill. He named Sen. J. H. Dent, D-Delaware, floor leader and Samuel G. Neff, D-Beaver.

Dent and Neff refused to comment on Harbo's statement. A third Democratic senator—Sen. Joseph M. Barr, Allentown—voted to release the bill from the Senate Finance Committee. But he declined comment on his future actions.

As approved for a final vote, the modified income tax proposal would be a total measure to provide a \$1000 income exemption and still have a substantial provision that

Claims 58,000 Enemy Casualties

U. S. Eighth Army Headquarters, Korea, Sept. 25 (AP)—Gen. James A. Van Fleet Monday said his Eighth Army has killed or wounded 53,000 Communist soldiers in Korea in the five weeks from August 18 through September 22.

The report covered the entire 150-mile front.

About 80 per cent of the Red losses were in the bloody battle of the hills in eastern Korea.

The figure represents almost six times as many as the 10,000 Red soldiers the U. S. Army said it had killed in the same period.

All losses must be uniform upon the same basis of subjects.

It would permit a taxpayer to claim a \$5 rebate if he paid his taxes 30 days prior to the due date. At the expiration of the 30-day period that entitles to a \$1000 exemption.

The Finance Committee estimated the revised bill would raise \$120,000,000 in the commonwealth's current two-year fiscal period despite the rebate provision. The revenue department had revised upwards to \$150,000,000 its original \$119,000,000 estimate under the bill passed by the House last April.

All 1951 income would remain subject to the levy. The tax would have to be paid in a lump sum by next March 15. In addition, payroll deductions would start as of January 1. First returns to the revenue department on players would be due next April 30.

all solicitors, with the service clubs, Rotary, Lions and Exchange, to be asked to finance the dinner.

Set Tentative Date

The date of the dinner was tentatively suggested for Tuesday evening, October 16, with the drive to get under way the following day. Plans were left subject to arrangements to be made by Attorney Donald M. Swope, vice president and 1951 drive chairman.

Bugess William G. Weaver, president of the board, presided, with the following present: Mr. Swope, Mr. Teeter, Judge W. C. Sheely, J. Herbert Raymond, Dr. R. D. Wickham, Attorney Eugene R. Hartman, Clark S. Smith, John S. Rice, Richard S. Codori, Stover Small, Radford H. Lippy, Mrs. Walter H. Danforth, Mrs. Fred G. Pfeiffer, secretary, Dr. Louis King, Mrs. Donald Sheely, Mrs. David Blocher, Dean W. E. Tibbels and Richard E. Dreas.

Donald Joseph, director of the recreation association, was the only agency representative to appear before the board on behalf of an organizational budget.

Shenandoah Banker Put On Probation

Philadelphia, Sept. 25 (AP)—A Shenandoah banker who did favors for his friends and customers by covering bad checks they had deposited was placed on probation Monday in U. S. District court.

FBI agents told Judge J. Cullen Gandy that Ephraim R. Beddall, 70-year-old former assistant cashier and teller of the Miners National bank at Shenandoah sometimes used his own money to conceal the shortages.

Beddall who pleaded no defense to charges of misappropriating money and making false entries on the bank's records, was placed on two years probation and under an 18 months suspended sentence. The same sentence also was given Seymour Orkin, Shenandoah businessman, charged with conspiracy.

Orkin, the FBI said, had asked Beddall to cover checks totalling \$2,065 which were deposited in his account but were not backed by sufficient funds. The FBI said the bank suffered no loss, since restitution collection or restitution had been made on the total of \$19,036 shortages disclosed by an audit.

Shark Gives Bathers Scare At Miami

Miami, Fla., Sept. 25 (AP)—Some 2,500 bathers became runners in a few seconds Sunday when a six-foot shark streaked shoreward in pursuit of a fish dinner.

Forrest Rand of Miami said the shark came in swiftly from the open Atlantic with a large white dorsal fin cutting the surface of the water.

The shark's immediate prey was a pan-fried bonito but the bathers couldn't be sure he wouldn't switch from fish to red meat.

Three women splashing in the shallow water screamed and sprinted for the shore 15 feet away while lifeguards quickly ordered the big Sunday crowd out of the water.

The shark turned when about five feet offshore and cruised the length of Baker's Haulover Park beach before putting out to sea.

Lifeguards called police who searched the area with pistols drawn and rifles ready but got no shot at the man-eating intruder. Alan Corser, Miami Herald fishing writer and deep sea expert, said the shark must have been a very hungry one.

is a need for staff assistants who can type to help with office work in the blood summer.

Get Summer Reports

Mrs. Pennington presented the home service report for June, July and August showing that 179 soldiers, veterans and civilians and their families received help during those months. She told of a conference she and Mrs. William H. Pensyl of the home service staff attended in York.

Mrs. Kramer presented a report on the services rendered by the various volunteer service groups in the chapter during the summer.

Three hundred adults and children received water safety training during the summer in Red Cross classes. Mrs. Edward J. Nowicki, water safety chairman, told the board.

Told of Flood Damage

Mrs. Luther Wisler, Junior Red Cross chairman, presented her report and said the school enrollment will be handled this fall by Mrs. George R. Larkin who will go to Lancaster Thursday for a preliminary conference.

As personnel committee chairman, Attorney D. E. Tetter reported on the employment of Miss Jean Bucher as a part time member of the office staff. She works there Mondays, Wednesdays and Fridays and alternate Saturday mornings.

Pointing out that the county has contributed only \$536.25 toward its assigned goal of \$1,300 for mid-west flood relief, Mrs. Bachman presented C. William Harbaugh, of the advertising staff of The Gettysburg Times, who read the group a report of his observations in Manhattan and Topeka, Kansas, seven weeks after the flood while on a vacation trip to the west. He described the extensive property damage and the hardships of the people in the aftermath of the flood and told of words of praise he heard there for the services of the Red Cross.

COUNTY GROUP TO MEET NOV. 8

A quarterly meeting of the board of directors of the Adams County Crippled Children's society will be held Thursday evening, November 8, at the court house, it was decided Monday evening at a meeting of the society's executive board.

The board formerly met monthly but under the society's new constitution, the entire board membership meets quarterly with the executive board meeting each month.

Dr. Clarence E. Bartholomew, president, presided at Monday's meeting which was held at the Red Cross office.

The board approved transportation costs for a county boy sent to Camp Easter Seal last summer and approved bills for six crippled children, two of them new cases, in which the society paid all or part of the cost for the expensive, special design shoes. In some instances the families were able to help meet part of the cost. In one case the society paid for one \$16 pair of shoes while the parents bought a second pair at the same price for a growing boy who was outfitted last in April. Shoe bills totaling \$76 were approved.

The new shoes for the handicapped youngsters had been ordered on their recent visits to the fall clinics held at Chambersburg and Carlisle.

now totals 96, according to the report of Secretary Frank Hower.

A proposal that Gettysburg stores remain open Friday nights as well as Saturday nights was voted down by the merchants in a card survey made by the association during the last month. President Bender said the returns from the mailed questionnaire showed the merchants are three to one against keeping their establishments open Friday nights.

Gives Booth Report

Members were asked to support, by their advertising, a cook book to be printed by the local Business and Professional Women's club. The cook book, which will contain mostly recipes provided by local persons, will be sold by the members of the club.

A report by Mrs. Guyon Buehler revealed that an estimated 30,751 persons stopped at the information booth placed on Lincoln Square during the summer. President Bender said that the electric wiring has been disconnected from the booth and that arrangements have been made for removing the booth and storing it for the winter.

Representatives of 19 organizations, a total of 105 persons, served at the information booth "and I think every one of them enjoyed it. I think all of us who served in the booth learned more about our own town," President Bender said. He added: "I think next year the retail merchants should make a greater effort to serve at the information booth. I don't think we will have any difficulty obtaining persons to serve there because it is a pleasure to meet with the tourists and help them."

Plan History On Map

The information booth will be stored during the winter months at the Aero oil company's Atlantic bulk plant here.

John Lippy reported that the association has been granted full copyright use of a recently made map of Gettysburg. Dr. Robert Portenbaugh, head of history department at the college, has consented to write a brief history of the borough to be printed with the map. Lippy said. Copies of the map and history will be distributed free to the tourists at the information booth next year.

President Bender urged the members to use the line "Member of the Gettysburg Retail Merchants Association" in their regular advertising copy.

CHECK FOREST FIRE TUESDAY

Scores of men fought a stubborn forest fire for nine hours in the Caledonia section before bringing it under control at 1 a.m. Tuesday. The blaze broke out shortly after 4 o'clock in a section near the Lincoln highway just west of the Franklin-Adams county line. Tom Norris, district forester, said that he suspects the fire was of incendiary origin.

Approximately four acres of second growth timber was destroyed. Employees of the district forester's office and students of the Mont Alto Forest school fought the blaze almost without letup through the early part of the night.

The fire threatened no buildings in the area, and from available reports no one was hurt by smoke during the nine-hour blaze.

This is the first serious forest fire reported in the area this year. Foresters have warned residents to practice extreme caution due to the dryness of the woodland.

Arson squad authorities were expected to arrive Tuesday to conduct an investigation into the Caledonia blaze.

YOUNGSTER INJURED

Philip R. West, two-year-old son of Mr. and Mrs. Robert West, York Springs R. 2, was treated at the Warner hospital for a deep laceration of the scalp received Tuesday when he was accidentally struck on the head by a piece of lumber while playing at his home.

POULTRYMEN TALK HOUSING

Methods of housing chickens and turkeys were shown Monday evening at a meeting of the Adams County Poultry Federation held at the court house here.

Fritz Leuschner, poultry extension specialist from Pennsylvania State college, showed a film on housing and then discussed methods of housing and problems of disease with the 50 poultrymen present.

Use of shavings for insulation was discussed with a 4-inch thick filling of shavings held better than insulating board in housing fowl.

County Agent M. T. Hartman announced that the next meeting of the group will be held December 10. President Roy Heckenluber urged that the poultrymen supply suggestions for future meetings.

The group voted to pay \$25 annual dues to the State Poultrymen's Federation and the members agreed to raise funds for awards given in the state and county Future Homemakers of America egg cooking demonstration contests.

President Heckenluber announced plans for the annual Northeastern Poultry Producers Council (NEPPCO) exposition and convention to be held in the Farm Show building at Harrisburg October 2, 3 and 4.

To Hold Exams For Fairfield P. O. Post

The U. S. Civil Service commission today announced that an examination for postmaster at Fairfield will be held in the near future. Applications for the post should be made by October 18. Examinations for the third class postmaster-ships, including Fairfield, will be held at Gettysburg and at a number of other places throughout the U. S. The Fairfield office pays \$3,170 per year.

Egg Cooperative Members To Meet

The membership meeting called by the Adams County Cooperative Egg association for its approximately 400 members will be held at the cooperative building, Harrisburg road, this evening at 8 o'clock.

President Richard Musselman said the meeting is being held to explain details of events occurring at the cooperative since its former manager left the cooperative, and to outline the future prospects of the organization. The meeting is being held at the cooperative to permit members to inspect the physical equipment of their establishment. A representative of June Dairy is to attend and possibly representatives of NEPPCO.

FIGHTING EST TEAM HE EVER HAD—DUROCHER

Philadelphia, Sept. 26 (AP)—A jubilant, but cautious, Leo Durocher, studied the National league standings which showed his New York Giants a game out of first place today and said: "This is the fightingest ball club I ever managed." "Everybody else gave up on us," Durocher said quietly, "but not the team. They don't know what it means to quit."

The Durocher speaking wasn't the boisterous, wise-cracking fellow he's supposed to be. He was subdued and a bit choked up emotionally. There was no mistaking the glow of pride in his eyes.

He had good reason to be proud of his Giants. They had just narrowed the margin between the league-leading Brooklyn Dodgers and his Giants to one full game, the narrowest edge the Dodgers have had in the National league since early in May.

On August 11 the Giants were 13½ games behind the Dodgers. Since then, while the Dodgers have been buckling under the terrific pressure, the Giants have won 34 of 41 games.

Last night's 5-1 victory over the Philadelphia Phillies marked the Giants' ninth triumph in their last 10 games.

Team Needs Help

Durocher wasn't predicting a pennant. "We still have to have help to win it," he said cautiously.

The Dodgers, with two more games to play than the Giants, have won 93 games and lost 56. The Giants have won 93 and lost 58.

It is likely that the pennant will be decided as it has been for the last two seasons in a series between the Dodgers and Phillies. Brooklyn moves into Shibe Park for a three-game set with the Phils beginning on Friday night.

Tonight Durocher sends Larry Jansen against the Phillies to face Ken Johnson, the erratic Phils' southpaw.

And against the Boston Braves Saturday and Sunday, Durocher will work Sal Maglie and Jansen.

"We've got to give it everything we've got, and for my money Maglie and Jansen are the two best pitchers in the league," Durocher added.

Bullet Booters To Open On October 5

The Gettysburg college soccer team opens its 1951 season on the home field on October 5, with Elizabethtown. Coach William D. Hartshorne has a host of holdovers to start the year with and expects to win a majority of the eight games scheduled.

Five games will be played at home this season, while three foes will be met on the road. Highlighting the away contests will be the season's finale with Penn State on November 17. During the rest of the year such formidable teams will be met as Lehigh, Bucknell, Western Maryland, and Johns Hopkins.

Sports Roundup

By HUGH FULLERTON, JR.

West Point, N. Y., Sept. 26 (AP)—There are two guys around the army athletic offices who can squeeze out a grin while everybody else is being pretty grim about the business of starting a new football season without the kind of players they're used to having around. One is Elmer Ripley, the newly appointed basketball coach, and the other Major Joel "Dopey" Stephens, who coaches the Plebe footballers.

"The Plebes still are unbeaten," Stephens chuckled as he headed for the varsity field yesterday. "We beat the Jayvees Saturday and somebody said it probably was the worst football game ever played on the plains."

Ripley, just getting his first look at the cadet basketballers, was reminded of the story of an inmate of a mental institution who kept shooting imaginary baskets with an imaginary ball. Each time the guy took this strange workout, a visitor would appear and solemnly keep score. Finally an attendant was moved to ask how come. The reply: "I'm a basketball coach. I'm scouting him because I may be playing him next year."

QUOTE UNQUOTE

Maurice (Clipper) Smith, Lafayette coach: "The only way to cover a forward pass is to be in the direct line of the ball or to be equipped with a lacrosse racket."

ONE MINUTE SPORTS PAGE

Brand new stunt in the line of best ball game tournaments is to take place in Bermuda next month. Contestants in the Princess Hotel Bermuda tourney won't know their partners until the day before the round starts and they'll switch partners, via the blind draw method, for each of the four days of the event.

Quickest double takes seen in these parts in years occurred on the army practice field the other day. A booming punt from behind the small group of spectators sailed more than half the length of the field. Just when the visitors were ready to congratulate Coach Red Blaik on having found a punter, they turned and saw the ball had been booted by Jayvee Coach Doc Blanchard.

Penn State Scout Al Michaels claims the two best passers he ever has seen in college football are Kentucky's Babe Parilli and ex-Marine Harry Agganis of Boston U. The Illinois grid squad must be steamed up about the opener against the University of California at Los Angeles. Instead of doing their muscle jerks to the usual 1-2-3-4 the Illini chant U-C-L-A.

BULLET-TERROR TEAMS TO MEET FOR 22ND TIME

When Gettysburg and Western Maryland college football teams lock horns here Saturday afternoon at 2 o'clock in the feature of the "Hen Bream Day" events, it will mark the 22nd time the schools have clashed in a series which began back in 1891.

The Bullets have a wide edge in the honors, having won 17, losing three while one ended in a tie. The last time the Terrorers won was in 1946 when they turned in a 18-6 decision.

This year Coach Charley Havens and his lads entertain high hopes of up-ending the Bullets.

Plenty of 1950 first stringers are on hand as well as many who saw action a year ago. Veterans remaining include Walt Hart and Ira Zepp, ends; Vic Makovitch, Otis Shearer, Ted Samakovich and Roy Rhyme, guards; Don Phillips, center; Harlow Henderson, a back and the team passer, and Bruce Rudisill, tackle.

Other top contenders for starting berths include Jack Molesworth, a senior, and Jack Duff, freshman; Dick Hockstein, Jim Marsh, Andy Rusunko and Donald James, tackles.

An all-veteran backfield is available led by Henderson, Mitch Tullai and Warren McFague, a transfer from Georgetown.

Three freshmen who turned in fine games against Bucknell last Saturday are slated to see plenty of action for the Bullets again this week. They include Tony Natale, 145, Harrisburg; Earl Yost, 155, Williamsport, and Gene Powell, 145, Harrisburg. All are hard runners and should add much to the Bullet offense.

Bears Work Hard For Penn Game

Berkeley, Calif., Sept. 26 (AP)—Lynn (Pappy) Waldorf is working his California Bears long and hard in preparation for their big intercollegiate battle with Pennsylvania in Philadelphia Saturday.

Waldorf has not blown the final practice whistle before dusk for two successive evenings and plans more of the same today.

"Pennsylvania will be a very tough opponent and we still have a great many things to do before we'll be ready," he said. "Our line blocking thus far has left quite a bit to be desired."

GIANTS WITHIN GAME OF LEAGUE LEADING BROOKS

By JOE REICHLER
(Associated Press Sports Writer)

Is the miracle about to come to pass?

Will the green-up-for-dead New York Giants actually overhaul the runaway Brooklyn Dodgers?

Has the "creeping terror" caught the jittery Brooks in its clutches? In short, are the Dodgers panic-stricken?

These are some of the questions asked today by an astounded baseball world, dazed by yesterday's sudden turn of events that left the Dodgers reeling and rocking.

Had 13½-game lead

Manager Charlie Dressen and his Brooklyn crew saw their once overpowering 13½-game bulge over the Giants melt to a single game last night when the relaxed Braves punned them in a nightmarish floodlighted doubleheader, 6-3 and 14-2. At the same time the relentless Giants were polishing off the Philadelphia Phils, 5-1, for the 34th triumph in their last 41 games.

The big doings in the National league pennant race far overshadowed the American league scramble that saw the front running New York Yankees move a step nearer the flag when both Cleveland and the Boston Red Sox were beaten. The Chicago White Sox shoved the Indians three games behind the Yanks with a 4-2 triumph while Washington dropped the Red Sox five and a half games off the pace with a 2-0 victory.

The Dodgers still have five to go, two in Boston and three in Philadelphia. The Giants have three left, one in Philadelphia and two in Boston. Any combination of four Dodger wins and or Giants defeats would clinch the flag for Brooklyn.

Billy Pierce pitched a nine-hitter to register his fifth victory in six starts against the Indians.

Handcuffed Red Sox

Bob Porterfield handcuffed the Red Sox with two singles as the Senators got eight off loser Leo Kiely with Clyde Klutts and Gil Coan driving in the runs.

The Yankees, rained out of their scheduled game with the Philadelphia Athletics, now need to win only two of their remaining six to clinch the flag. They play the A's today and follow with five against the Red Sox, Cleveland has but two, both at home, against Detroit. The Red Sox have seven left, all on the road.

Ted Gray pitched the Detroit Tigers to a 2-0 victory over the St. Louis Browns. He fanned 10. Catcher John Prames hit a grand slam home in the bottom half of the 14th inning to give Kenny Ruffenberger and the Cincinnati Reds a 7-3 victory over the St. Louis Cardinals. Ralph Kiner drove in two runs and scored one to lead the Pittsburgh Pirates to a 6-3 victory over the Chicago Cubs.

Littlestown AUXILIARY WILL HOLD FOOD SALE

The members of the Littlestown group of the Ladies' Auxiliary to the Warner hospital, Gettysburg, met Monday evening in the social hall of Redeemer's Reformed church, with Mrs. Richard M. Phreaner, chairman, in charge. The present auxiliary project is the purchase of an oxygen air pressure lock for use in the hospital nursery. The apparatus will cost approximately \$1,000. Mrs. Phreaner spoke to the group concerning immediate past projects of the auxiliary.

It was decided to hold a food sale to raise funds for the latest project. The sale, which will include the sale of soup and sandwiches, will be held Friday, November 2, beginning at 11 a.m. at Boyd's store, East King street. The following will serve as a general committee for the sale: Mrs. Phreaner, Miss Malva Duttera, Mrs. George DeHoff, Mrs. Paul R. Snyder, Mrs. Donald B. Coover, Mrs. J. Ray Remondler, Miss Evelyn C. Altoff, Mrs. Charles E. Ritter, Mrs. Wilbur A. Bankert, Miss Bernice Currens and Mrs. Paul E. Altoff.

Each of the committee members will contact a group of the auxiliary members in the future for contributions. Sale contributions made by the people of the community will also be appreciated. A letter campaign for funds also will be conducted. The finance committee of the campaign consists of Miss Anna Weaver and Miss Evelyn Altoff. Contributions in response to the mail appeal may be sent to either of the finance committee members.

Going To Red Lion

The quarterly meeting of the Poor County Council of the American Legion Auxiliaries will be held Thursday, October 4, with the Ladies' Auxiliary to the Legion in Red Lion as the hostess group. Mrs. Kenneth Shadd, newly elected Pennsylvania vice president of the Legion Auxiliary, will be in attendance with Miss Eva McClellan, the new four-county county director. Those from the Ocker-Snyder Post No. 321 Auxiliary who are planning to attend are requested to make reservations with the president, Mrs. Wilbur E. Mackley, by Monday, October 1, so that transportation can be arranged. Mrs. Mackley and the local auxiliary secretary, Mrs. Elmer W. Gall, will attend the presidents' and secretaries' conference on Friday in the forum at Harrisburg.

The following six teams of the Littlestown Men's Bowling league will bow this evening at 7 o'clock, at Basehart's, North Queen street: VFW, Littlestown 5 and 10, Keystone, Rotary, Sonny's Lunch and Basehart's. The Men's league opened its fall season on Monday evening when the Record Shop opposed the Eagles.

Rotary Club Meets

A mobile X-ray laboratory furnished by the Adams County Tuberculosis society will be stationed in town on Thursday. The unit will be in service at the community schools from 11 a.m. until 12 o'clock noon, and will be stationed near the Littlestown square from 7 until 8:30 p.m., that evening. All residents of the community and surrounding area are invited to take advantage of the opportunity to have a chest X-ray for a fee of 75 cents on Thursday evening.

Warren P. Brooks, Philadelphia, a special agent of the Amsterdam Casualty company, was the guest speaker at the meeting of the Littlestown Rotary club Tuesday evening at Schott's hotel. Mr. Brooks spoke to the Rotarians concerning "Embezzlement and Fidelity Bonds." The speaker informed the group that the annual loss to employers is greater from embezzlement than from fire, as fire damages are usually covered by insurance and embezzlement is not. The special agent then traced a case history for his audience.

The Tuesday evening program was in charge of the Public Information committee, P. Emory Weaver, chairman. The International Service committee consisting of Frank E. Basehart, chairman, Edward T. Richardson, Sr., Paul E. King, Charles E. Wecker, Frank J. Kroack and William T. Gincrow will be in charge of the meeting next Tuesday evening at 6:15 o'clock at Schott's.

at the high school from 2 to 3 p.m.; Gettysburg, at the seminary, when opportunity provides.

The mobile unit was at York Springs high school this morning from 8 to 10 a.m. It will be at the fire engine house in York Springs this evening from 6 to 6:45 o'clock. It was at the East Berlin high school from 10:30 a.m. until noon and will be at the First National bank building from 7 to 7:30 this evening. It will be in the square at New Oxford from 7:45 to 8:30 p.m. tonight, after visiting the New Oxford high school from 1 to 2:30 o'clock this afternoon.

Free X-ray Pictures

The unit will x-ray free of charge all ninth grade students in the county; teachers, bus drivers and other school employees so desiring. While the unit is in the county any individual may obtain the same service, including an x-ray reading and report, for 15 cents per person. The unit has also offered its services to the industries of the county.

The x-ray service is sponsored by the county tuberculosis society as a means of screening possible evidences of tuberculosis, but other illnesses of the chest area will be reported when found. "It is only through the participation of a great many Adams countians in this program that the society has any way of knowing the work it can and must do in the field of tuberculosis prevention," Mr. Hartman said.

Individuals desiring to be x-rayed may visit one of the schools near the end of the scheduled time, or they may report to the mobile unit in the evening at the places designated.

The unit will be in Gettysburg all day Saturday for the benefit of rural as well as Gettysburg residents.

at the Recreation park. The average was 179 daily. The season closed with an all-day picnic and various games and events, he said.

A motion was adopted to contribute \$25 to the Halloween committee. Joseph reported that touch football will be started next week under the lights at the softball field. The board directed that a letter be sent to the Fraternal Order of Eagles, complimenting the local lodge for its sponsorship of the junior baseball team in the Mason and Dixon league the past season.

Plan Twilight League

The formation of a twilight baseball league for next season was discussed, but no action will be taken until later. Sunday baseball, according to board members, did not meet expectations and crowds were poor during the past summer, it was pointed out, and "Sunday baseball is dead in Gettysburg."

Mr. Joseph's plan for a skating rink at the Recreation park this winter was approved and he was authorized to proceed with plans for placing a board enclosure for the skating rink in center field of the softball diamond. He was also authorized to spend up to \$100 for fertilizer for the grounds and baseball diamonds at the Recreation park.

The board adopted a motion recommending Mrs. Sydney J. Poppy for re-election to the board for another five-year term. Her term expired September 1.

Mr. Bream complimented Mr. Joseph for his work in recreation during the past summer. "He did a grand job," he said.

Ministry Choir To Sing

In the evening service the choir of 20 ministers will make its first appearance, singing two selections. It is under the direction of Rev. Alfred Fryer, pastor of Memorial church, York.

The women of Trinity church will serve a cafeteria supper at 6 o'clock.

Rev. Eugene Kalkbrenner, of Newport, will be the liturgist at the evening service at 7:30 o'clock. Dr. Bader will speak on "This Great Business of Evangelism." Rev. W. Wilson Carvell will report on the findings committee and Rev. James W. Moyer, president of the synod, will pronounce the benediction.

Rev. Dr. Fox said the purpose of the convocation is to consider the following:

1. The crisis confronting church people today.
2. The importance of the church.
3. Your faith and your church.
4. The expression of your churchmanship in your local congregation.

"The number of plays high school football players have to learn now is quite different from a few years ago. The average team has from 13 to 15 running plays from each side of the line. There are usually ten pass plays from each side. You must varying defenses, and have to change your plays. Some team members may have to know as many as 144 plays."

Sees "Mad Scramble"

"On defense we have various types of play, a loose five-man line, a tight five, a loose six or a tight six, a seven-four lineup, a 4-4 and other variations."

There have been three coaching changes among conference teams. Mr. Shoemaker said. Hershey, Shippenburg and Waynesboro all have new football coaches this fall. Speaking of Gettysburg's chances, he said Carlisle, Gettysburg's opponent Friday night, is undefeated; Chambersburg, although defeated once, is still a tough team; a strong unbeaten Hanover team defeated York; Mechanicsburg, also unbeaten, defeated a strong Washington team and Hershey is undefeated.

"The conference this fall looks like a mad scramble," he added. "Carlisle, Chambersburg and Mechanicsburg look like the best. We'll have our biggest job Friday night with Carlisle."

Renew Saddler-Pep Series This Evening

New York, Sept. 26 (AP)—It's time for the fourth annual renewal of the Sandy Saddler-Willie Pep series for the featherweight title. Ring time is 9:00 p.m. (EST) tonight at the Polo grounds.

Unless there is a tremendous last minute ticket surge — and there was a year ago for chapter No. 3 — the gate won't go over \$75,000 and about 15,000 fans. They drew \$262,150 last September, with the help of a big delegation from Pep's home town of Hartford, Conn.

Home television and radio lose again in this 15-round match that will be seen only in 17 theaters in 13 cities. The theater TV and movie rights were sold for \$110,000 or more than the fight will draw.

FIGHTING ST TEAM HE EVER HAD—DUROCHER

Philadelphia, Sept. 26 (AP)—A jubilant, but cautious, Leo Durocher, studied the National League standings which showed his New York Giants a game out of first place today and said: "This is the fighting ball club I ever managed."

"Everybody else gave up on us," Durocher said quietly, "but not the team. They don't know what it means to quit."

The Durocher speaking wasn't the boisterous, wise-cracking fellow he's supposed to be. He was subdued and a bit choked up emotionally. There was no mistaking the glow of pride in his eyes.

He had good reason to be proud of his Giants. They had just narrowed the margin between the league-leading Brooklyn Dodgers and his Giants to one full game, the narrowest edge the Dodgers have held in the National League since early in May.

On August 11, the Giants were 13½ games behind the Dodgers. Since then, while the Dodgers have been buckling under the terrific pressure, the Giants have won 34 of 41 games.

Last night's 5-1 victory over the Philadelphia Phillies marked the Giants' ninth triumph in their last 10 games.

Team Needs Help

Durocher wasn't predicting a pennant. "We still have to have help to win it," he said cautiously.

The Dodgers, with two more games to play than the Giants, have won 93 games and lost 56. The Giants have won 93 and lost 58.

It is likely that the pennant will be decided as it has been for the last two seasons in a series between the Dodgers and Phillies. Brooklyn moves into Shibe Park for a three-game set with the Phils beginning on Friday night.

Tonight Durocher sends Larry Jensen against the Phillies to face Ken Johnson, the erratic Phils' southpaw.

And against the Boston Braves Saturday and Sunday, Durocher will work Sal Maglie and Jensen.

"We've got to give it everything we've got, and for my money Maglie and Jensen are the two best pitchers in the league," Durocher added.

Bullet Booters To Open On October 5

The Gettysburg college soccer team opens its 1951 season on the home field on October 5, with Elizabethtown, Coach William D. Hartshorne has a host of holdovers to start the year with and expects to win a majority of the eight games scheduled.

Five games will be played at home this season, while three foes will be met on the road. Highlighting the away contests will be the season's finale with Penn State on November 17. During the rest of the year such formidable teams will be met as Lehigh, Bucknell, Western Maryland, and Johns Hopkins.

Sports Roundup

By HUGH FULLERTON, JR.
West Point, N. Y., Sept. 26 (AP)—There are two guys around the army athletic offices who can squeeze out a grin while everybody else is being pretty grim about the business of starting a new football season without the kind of players they're used to having around. . . . One is Elmer Ripley, the newly appointed basketball coach, and the other Major Joel "Dopey" Stephens, who coaches the Piebke footballers. . . . "The Piebkes still are unbeaten," Stephens chuckled as he headed for the varsity field yesterday. "We beat the Jayvees Saturday and somebody said it probably was the worst football game ever played on the plains." . . . Ripley, just getting his first look at the cadet basketballers, was reminded of the story of an inmate of a mental institution who kept shooting imaginary baskets with an imaginary ball. Each time the guy took this strange workout, a visitor would appear and solemnly keep score. Finally an attendant was moved to ask how come. . . . The reply: "I'm a basketball coach. I'm scouting him because I may be playing him next year."

A booming punt from behind the small group of spectators sailed more than half the length of the field. Just when the visitors were ready to congratulate Coach Red Blaik on having found a punter, they turned and saw the ball had been booted by Jayvee Coach Doc Blanchard. . . . Penn State Scout Al Michaels claims the two best passers he ever has seen in college football are Kentucky's Babe Parrilli and ex-Marine Harry Agganis of Boston U. . . . The Illinois grid squad must be steamed up about the opener against the University of California at Los Angeles. Instead of doing their muscle jerks to the usual 1-2-3-4 the Illini chant U-C-L-A.

GIVE 'EM NO QUARTER

Halfback Don McAuliffe, No. 1 gag man for the Michigan State football team, likes to make quarterbacks in general and Al Dorow in particular his favorite targets. "Quarterbacks," says Don scornfully when he knows Al is listening. "They aren't regular football players. All they do is give the ball to someone else, run away from the play, clap their hands over their ears and look back over their shoulders to see if they still have a team left."

P. S. After that Oregon State game last week, maybe Dorow shouldn't look back.

Renew Saddler-Pep Series This Evening

New York, Sept. 26 (AP)—It's time for the fourth annual renewal of the Sandy Saddler-Willie Pep series for the featherweight title. Ring time is 9:00 p.m. (EST) tonight at the Polo grounds.

Unless there is a tremendous last minute ticket surge—and there was a year ago for chapter No. 3—the gate won't go over \$75,000 and about 15,000 fans. They drew \$262,150 last September, with the help of a big delegation from Pep's home town of Hartford, Conn.

Home television and radio lose again in this 15-round match that will be seen only in 17 theaters in 13 cities. The theater TV and movie rights were sold for \$110,000 or more than the fight will draw.

BULLET-TERROR TEAMS TO MEET FOR 22ND TIME

When Gettysburg and Western Maryland college football teams lock horns here Saturday afternoon at 2 o'clock in the feature of the "Hen Broom Day" events, it will mark the 22nd time the schools have clashed in a series which began back in 1891.

The Bullets have a wide edge in the honors, having won 17, losing three while one ended in a tie. The last time the Terrors won was in 1946 when they turned in a 18-6 decision.

This year Coach Charley Havens and his lads entertain high hopes of up-ending the Bullets.

Plenty of 1950 first stringers are on hand as well as many who saw action a year ago. Veterans remaining include Walt Hart and Ira Zepp, ends; Vic Makovitch, Otts Shearer, Ted Samakouris and Roy Rhyne, guards; Don Phillips, center; Harlow Henderson, a back and the team passer, and Bruce Rudisill, tackle.

Other top contenders for starting berths include Jack Molesworth, a senior, and Jack Duht, freshman; Dick Hockstein, Jim Marsh, Andy Rusinko and Donald James, tackles. An all-variant backfield is available led by Henderson, Mitch Tullai and Warren McFague, a transfer from Georgetown.

Three freshmen who turned in fine games against Bucknell last Saturday are slated to see plenty of action for the Bullets against this week. They include Tony Natale, 145, Harrisburg; Earl Yost, 155, Williamsport, and Gene Powell, 145, Harrisburg. All are hard runners and should add much to the Bullet offense.

Bears Work Hard For Penn Game

Berkeley, Calif., Sept. 26 (AP)—Lynn (Pappy) Waldorf is working his California Bears long and hard in preparation for their big intercollegiate battle with Pennsylvania in Philadelphia Saturday.

Waldorf has not blown the final practice whistle before dusk for two successive evenings and plans more of the same today.

"Pennsylvania will be a very tough opponent and we still have a great many things to do before we'll be ready," he said. "Our line blocking thus far has left quite a bit to be desired."

GIANTS WITHIN GAME OF LEAGUE LEADING BROOKS

By JOE REICHLER
(Associated Press Sports Writer)

Is the miracle about to come to pass?

Will the given-up-for-dead New York Giants actually overhaul the runaway Brooklyn Dodgers?

Has the "creeping terror" caught the jittery Brooks in its clutches? In short, are the Dodgers panic stricken?

These are some of the questions asked today by an astonished baseball world, dazed by yesterday's sudden turn of events that left the Dodgers reeling and rocking.

Had 13½ Game Lead

Manager Charlie Dressen and his Brooklyn crew saw their once overpowering 13½ game bulge over the Giants melt to a single game last night when the relaxed Braves pummeled them in a nightmarish floodlighted doubleheader, 6-3 and 14-2. At the same time the relentless Giants were polishing off the Philadelphia Phils, 5-1, for the 34th triumph in their last 41 games.

The big doings in the National League pennant race far overshadowed the American league scramble that saw the front running New York Yankees move a step nearer the flag when both Cleveland and the Boston Red Sox were beaten. The Chicago White Sox shoved the Indians three games behind the Yanks with a 4-2 triumph while Washington dropped the Red Sox five and a half games off the pace with a 2-0 victory.

The Dodgers still have five to go, two in Boston and three in Philadelphia. The Giants have three left, one in Philadelphia and two in Boston. Any combination of four Dodger wins and/or Giants defeats would clinch the flag for Brooklyn.

Billy Pierce pitched a nine-inning to register his fifth victory in six starts against the Indians.

Handcuffed Red Sox

Bob Porterfield handcuffed the Red Sox with two singles as the Senators got eight off loser Leo Kiely with Clyde Klutts and Gil Coan driving in the runs.

The Yankees, rained out of their scheduled game with the Philadelphia Athletics, now need to win only two of their remaining six to clinch the flag. They play the A's today and follow with five against the Red Sox. Cleveland has but two, both at home, against Detroit. The Red Sox have seven left, all on the road.

Ted Gray pitched the Detroit Tigers to a 2-0 victory over the St. Louis Browns. He fanned 10. Catcher John Pramesha hit a grand slam homer in the bottom half of the 14th inning to give Kenny Raffenberger and the Cincinnati Reds a 7-3 victory over the St. Louis Cardinals. Ralph Kiner drove in two runs, and scored one to lead the Pittsburgh Pirates to a 6-3 victory over the Chicago Cubs.

wing or a short punt formation, and defensively, a six-man line." Mr. Shoemaker said. "Now most teams use the 'T' formation, or variations of it, a split 'T' or a tight 'T' which we use at high school here, or a wing 'T'."

"The number of plays high school football players have to learn now is quite different from a few years ago. The average team has from 13 to 15 running plays from each side of the line. There are usually ten pass plays from each side. You meet varying defenses, and have to change your plays. Some team members may have to know as many as 144 plays."

Sees "Mad Scramble"
"On defense we have various types of play, a loose five-man line, a tight five, a loose six or a tight six, a seven-four lineup, a 4-4 and other variations."

There have been three coaching changes among conference teams, Mr. Shoemaker said. Hershey, Shippenburg and Waynesboro all have new football coaches this fall. Speaking of Gettysburg's chances, he said Carlisle, Gettysburg's opponent Friday night, is undefeated; Chambersburg, although defeated once, is still "a tough team"; a strong unbeaten Hanover team defeated York; Mechanicsburg, also unbeaten, defeated a strong Washington team and Hershey is undefeated.

"The conference this fall looks like a mad scramble," he added. "Carlisle, Chambersburg and Mechanicsburg look like the best. We'll have our biggest job Friday night with Carlisle."

Mr. Shoemaker said that Gettysburg has some good material but

Littlestown AUXILIARY WILL HOLD FOOD SALE

The members of the Littlestown group of the Ladies' Auxiliary to the Warner hospital, Gettysburg, met Monday evening in the social hall of Redeemer's Reformed church, with Mrs. Richard M. Phreaner, chairman, in charge. The present auxiliary project is the purchase of an oxygen air pressure lock for use in the hospital nursery. The apparatus will cost approximately \$1,000. Mrs. Phreaner spoke to the group concerning immediate past projects of the auxiliary.

It was decided to hold a food sale to raise funds for the latest project. The sale, which will include the sale of soup and sandwiches, will be held Friday, November 2, beginning at 11 a.m., at Boyd's store, East King street. The following will serve as a general committee for the sale: Mrs. Phreaner, Miss Malvia Dutera, Mrs. George DeHoff, Mrs. Paul R. Snyder, Mrs. Donald B. Coover, Mrs. J. Ray Reinhold, Miss Evelyn C. Altoff, Mrs. Charles E. Ritter, Mrs. Wilbur A. Bankert, Miss Bernice Currens and Mrs. Paul E. Altoff.

Each of the committee members will contact a group of the auxiliary members in the future for contributions. Sale contributions made by the people of the community will also be appreciated. A letter campaign for funds also will be conducted. The finance committee for the campaign consists of Miss Anna Weaver and Miss Evelyn Altoff. Contributions in response to the mail appeal may be sent to either of the finance committee members.

Going To Red Lion

The quarterly meeting of the Four-County Council of the American Legion Auxiliaries will be held Thursday, October 4, with the Ladies' Auxiliary to the Legion in Red Lion as the hostess group. Mrs. Kenneth Shad, newly elected Pennsylvania vice president of the Legion Auxiliary, will be in attendance with Miss Eva McClellan, the new four-county council director. Those from the Ocker-Snyder Post No. 321 Auxiliary who are planning to attend are requested to make reservations with the president, Mrs. Wilbur E. Mackley, by Monday, October 1, so that transportation can be arranged. Mrs. Mackley and the local auxiliary secretary, Mrs. Elmer W. Gall, will attend the presidents' and secretaries' conference on Friday in the forum at Harrisburg.

The following six teams of the Littlestown Men's Bowling league will bowl this evening at 7 o'clock, at Basehore's, North Queen street: VFW, Littlestown 5 and 10, Keystone, Rotary, Sonny's Lunch and Basehore's. The Men's league opened its fall season on Monday evening when the Record Shop opposed the Eagles.

Rotary Club Meets

A mobile X-ray laboratory furnished by the Adams County Tuberculosis society will be stationed in town on Thursday. The unit will be in service at the community schools from 11 a.m. until 12 o'clock noon, and will be stationed near the Littlestown square from 7 until 8:30 p.m., that evening. All residents of the community and surrounding area are invited to take advantage of the opportunity to have a chest X-ray for a fee of 75 cents on Thursday evening.

Warren P. Brooks, Philadelphia, a special agent of the Amsterdam Casualty company, was the guest speaker at the meeting of the Littlestown Rotary club Tuesday evening at Schott's hotel. Mr. Brooks spoke to the Rotarians concerning "Embezzlement and Fidelity Bonds." The speaker informed the group that the annual loss to employers is greater from embezzlement than from fire, as fire damages are usually covered by insurance and embezzlement is not. The special agent then traced a case history for his audience.

The Tuesday evening program was in charge of the Public Information committee, P. Emory Weaver, chairman. The International Service committee consisting of Frank E. Baschoar, chairman, Edward T. Richardson, Sr., Paul E. King, Charles E. Weikert, Frank J. Kroack and William T. Gingrow will be in charge of the meeting next Tuesday evening at 6:15 o'clock at Schott's.

could suffer severely from injuries. He listed several outstanding players, and said that injuries to any one of them would seriously affect the team's chances, because of the lack of good replacements.

Ross Sachs, backfield coach at the high school, was also to have been a speaker, but was unable to attend the meeting because of a "blessed event" in his family.

New Member

David E. Garfinkle, Jr., president of the club, presided. One new member was present, Cletus S. Mayer, of the Wolf Supply company. John Cordori had as his guest John C. W. Riddle, new superintendent of the national cemetery.

A letter of thanks from the Warner hospital auxiliary for the club's contribution to this organization was read by the president, Francis Groft was named chairman of a committee to raise funds for the state exchange club's recreation hall project at the Pennsylvania Junior Republic at Grove City.

It was announced that the joint meeting of the Exchange, Rotary and Lions clubs will be held October 15 at 6:30 o'clock at Trinity Evangelical and Reformed church.

at the high school from 2 to 3 p.m.; Gettysburg, at the seminary, when opportunity provides.

The mob's unit was at York Springs high school this morning from 8 to 10 a.m. It will be at the fire engine house in York Springs this evening from 6 to 6:45 o'clock. It was at the East Berlin high school from 10:30 a.m. until noon, and will be at the First National bank building from 7 to 7:30 this evening. It will be in the square at New Oxford from 7:45 to 8:30 p.m. tonight, after visiting the New Oxford high school from 1 to 2:30 o'clock this afternoon.

Free X-ray Pictures

The unit will x-ray free of charge all ninth grade students in the county; teachers, bus drivers and other school employees so desiring. While the unit is in the county any individual may obtain the same service, including an x-ray reading and report, for 75 cents per person. The unit has also offered its services to the industries of the county.

The x-ray service is sponsored by the county tuberculosis society as a means of screening possible evidences of tuberculosis, but other illnesses of the chest area will be reported when found. "It is only through the participation of a great many Adams countians in this program that the society has any way of knowing the work it can and must do in the field of tuberculosis prevention," Mr. Hartman said.

Individuals desiring to be x-rayed may visit one of the schools near the end of the scheduled time, or they may report to the mobile unit in the evening at the places designated.

The unit will be in Gettysburg all day Saturday for the benefit of rural as well as Gettysburg residents.

HELD IN DEATH

Philadelphia, Sept. 26 (AP)—An 18-year-old boy is being held today for a coroner's inquest in the death of a movie cashier. Anthony Swilley, former Norristown resident, is charged with fatally shooting Joseph John, about 22, after a \$175 holdup at the theater Saturday night. A retired city policeman testified he saw Swilley hold up the theater cashier. Magistrate Ralph Knox held Swilley without bail.

New York, Sept. 26 (AP)—A toy manufacturer announced today her firm would return out no more penny banks—just those that take nickels, dimes and quarters.

Mrs. Ann Payson, head of a Hackensack, N. J., toy company, said the changeover was due to the copper shortage and the penny's lost appeal to children. Pennies buy very little today, she said, "and most children do not show much appreciation for anything less than a dime."

LEGAL NOTICES

TWENTY-FIVE YEARS AGO

Mission Starts At St. Xavier:
Large crowds attended the first services of a week's mission at St. Francis Xavier Catholic church, Sunday. The services were conducted by the Rev. Father Athanasius Eghert, of Springfield, Massachusetts.

The services were opened Sunday morning with a solemn high mass of which the Rev. Father Joseph A. McAndrews, spiritual director at Mt. St. Mary's Seminary, Emmitsburg, was the celebrant. He was assisted by the Rev. Father Francis G. Driscoll, as deacon; the Rev. Father Charles P. Foy, sub-deacon, and the Rev. Father Joseph C. Carr, master of ceremonies.

Proceeding the high mass there was a procession of the visiting clergyman, in which the Rev. Father Mark E. Stock carried the mission cross.

Sieve Svarnas Is Naturalized:
Judge D. P. McPherson on Monday presided at his first session of court since returning from a vacation tour of England and Continental Europe. Current business passed under judicial scrutiny during the session.

Steven Svarnas, one of the partners in the American restaurant, became a full-fledged citizen of the United States by passing a naturalization test given by the court. Svarnas, a native of Greece, came to this country in 1910.

To Manage Store: John E. Rummel, for the past seven years employed by the Gettysburg Department Store, has resigned his position and has moved to Greencastle, where he will manage Trimmer's Five and Ten Cent Store at that place.

Champion Tunney Believes He Won In First Round (By Associated Press) Philadelphia, Sept. 24—Gene Tunney, the champion, was unchanged from Tunney, the challenger, except in one particular today.

He sat up until the early hours of the morning. For months the boxer had gone to bed nightly before 10 o'clock.

"From the tap of the gong in the first round until the close of the bout, Dempsey was weaving in and trying to get the pace that made him the famed killer of other days. "But that famous Dempsey punch was lacking. The sock only materialized about four times during the bout.

"Tunney showed he had planned his battle carefully. He knew what he wanted to do and did it at the right moment. He had his head about him. He emerged a champion in every sense of the word."

Tunney, the ex-Marine, slugged his way to the title of "King of the Heavyweights" by getting the unanimous decision over Jack Dempsey at the Sesqui stadium Thursday night.

Among the Gettysburgians who attended the fight were Mrs. Leo Bushman, Charles W. Gardner and son, Glenn, William Kepner, Leo Bushman, Brady Sefton, William Shields, Grover Myers and son, Glenn, John Hartman, John Lower, Ira Plank, M. C. Jones and John Hewitt.

Double Wedding At Littlestown: Miss Regina Marie Eckenrode and Miss Rose Genevieve Eckenrode, daughters of Mr. and Mrs. Charles A. Eckenrode, of near Littlestown, were the principals in a double wedding which was solemnized Tuesday morning at a nuptial mass in St. Aloysius Catholic church, Littlestown. The Rev. Father Edward O'Flynn officiated.

Miss Regina Eckenrode became the bride of Clarence Urias Arter, son of Mr. and Mrs. Alva Arter, of Littlestown, while Miss Rose Eckenrode became the bride of Chester Keefer Phell, son of Mr. and Mrs. Abraham H. Phell, Chambersburg.

Today's Talk

By GEORGE MATTHEW ADAMS

ROADSIDE BEGINNINGS

One of mankind's blessings is the automobile. It has enabled the humblest to see his country as it is. I see in my newspaper that approximately every third person in the United States owns an automobile. What would happen to Russia if this were as true there as here?

You see things along the roadside, while travelling, that you never heard of before, if you are observant and think as you go along, but half the joy and profit are wiped out at once if you drive merely to get somewhere.

This past summer I could not help but think of the great number of notable people who had been born in the small villages of Nova Scotia. I recall spending an evening with Robert Norwood, the famous rector of St. Bartholomew's church, in New York city. He was born in Nova Scotia and preached in small towns there and was greatly beloved. From a small church he was called to the great city, but he never lost that early human touch. He lies buried in a little graveyard at Hubbards, Nova Scotia, and I never pass the place without happy memories of this fine and inspiring gentleman.

It was at Yarmouth, in this same Province, that General George C. Kenney was born, who became the air arm of General of the Army Douglas MacArthur during the last World War. (I hope I can truly say the last World War!) His book "General Kenney Reports" is fine reading, and his book on General MacArthur is one that should have wide reading. I can understand why General Kenney was so deeply beloved by his "boys."

From the roadside villages of Nova Scotia—indeed from those all over Canada and the United States—have come men and women who have enriched all humanity. Bob Bartlett, the intrepid other part of Admiral Peary, in the latter's final discovery of the North Pole, was born in rugged Newfoundland.

Poets, artists, writers, statesmen, physicians, men and women of almost every calling, have sprung from these roadside beginnings, many in isolated spots. They breed courage, incentive and inspire us all with faith and purpose.

Tomorrow Mr. Adams will talk on the subject: "Dog Talk."

FAVORITE MARCH

If I could blow a trumpet or tap a rolling drum;
Had I the gift of music and tunes I like could hum;
If I could bow a fiddle; if I knew G from A,
"The Stars and Stripes Forever" is what I'd choose to play.

If I could "oompah! oompah" a tuba down the street;
If I could fife the music that quickens marching feet;
If I could tell andante from allegretto gay,
"The Stars and Stripes Forever" is what I'd ask to play.

If I could clash the cymbals (Oh, how I wish I could!)
I'd clash them with a vengeance as with the band I stood.
I'd make them ring for freedom;
and to my dying day
"The Stars and Stripes Forever" forever I would play.

Small wonder that this particular style continues to rate so high with home owners when the Cape Codder looks so handsome and so "at home" in urban, suburban and rural areas; blends so well with all types of landscape and harmonizes, but never clashes, with the other homes in any neighborhood.

Large picture windows dress-up the exterior of "The Aquidneck," give a thoroughly modern touch to this traditional Cape Cod design.

The front door leads into a good sized entry hall with an archway at the right leading into the living room, and another archway (at the left) opening on the dining room. The stairway to the second floor also is located in this entry hall.

Measuring 19' x 13', the living room is an unusually pleasant and well lighted room. Both the front and right walls boast handsome large picture windows flanked by narrower casement windows. And a French door in the back wall leads to the back piazza.

Large Fireplace

Another very attractive feature of the living room is the large fireplace in the left wall. In such a large, bright and comfortable room as the living room of "The Aquidneck" it will be decoratively smart to use informal furnishings and arrangements—with emphasis on straight simple lines.

The 13' x 13' dining room also boasts a beautiful picture window flanked by narrower casement windows. A conventional type window in the left wall provides further light and cross ventilation for the dining room. You'll easily fill the built-in china closet in the further left corner of the room, and you'll find the long right wall an excellent location for your buffet.

Connected directly with the dining room, the all-modern kitchen measures 14' x 9'. The refrigerator is placed at the right of the doorway from the dining room, with the breakfast nook just across from it in an alcove by itself. There is a good sized broom closet conveniently located back of the refrigerator and opening in the kitchen.

U-shaped Workspace

The working counters and cupboards are arranged in a U-shaped array with the stove at the right end of the U, just a few steps from the refrigerator. Under the double windows in the back wall, and just about in the center of the line of working counters, is the ideal location for the sink.

With doorways leading to both the front and back yards, the laundry or utility room is placed at the left of the kitchen and is connected with it by another doorway. Measuring 11' x 9', the laundry or utility room is well lighted by a window in the front wall and another in the back wall.

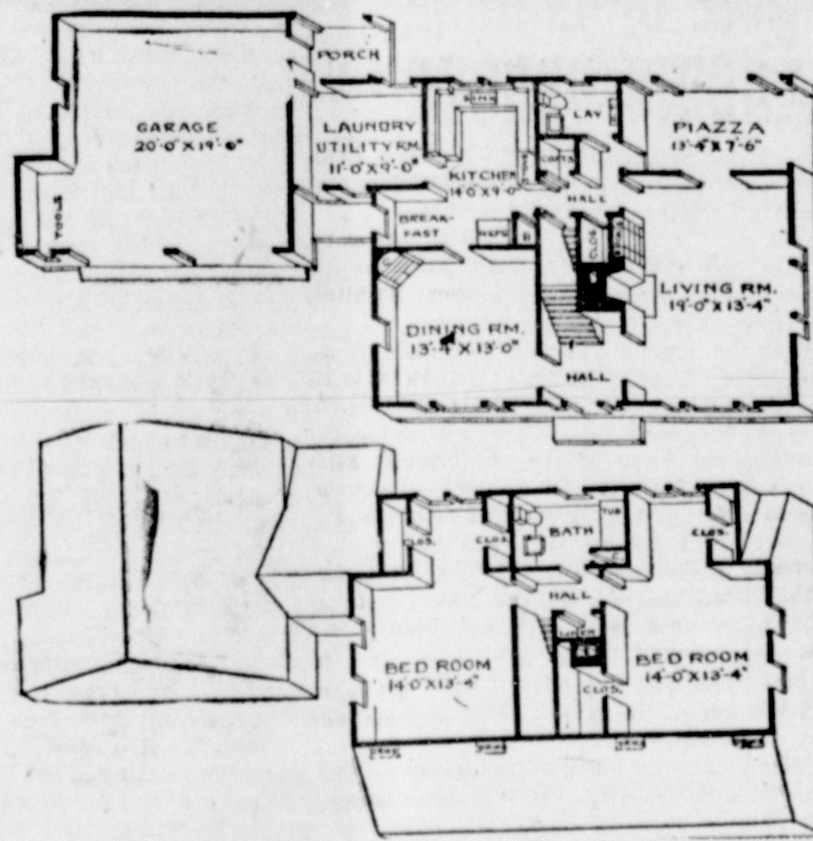

The back porch, reached by the door from the laundry, provides direct and protected access to the garage. This porch also can be used as a partial drying spot for clothes in uncertain or slightly stormy weather.

Designed to hold two cars, the garage is 20' x 19' and has a window in the left wall and one in the front wall. The home handy man and the amateur gardener will both find plenty of use for the special tool storage section in the left wall of this garage. If you have no use for a two car garage you can easily build a one car garage instead—but, make the arrangements with your contractor before you start to build.

Bedrooms On 2nd Floor

Both bedrooms in "The Aquidneck" are on the second floor and both measure 14' x 13'.

Located between the two bedrooms, the all-modern bathroom

rooms, the all-modern bath opens off the central hallway and contains a tub and a built-in shower. The bathroom closet will make a good place to keep the supply of clean towels, etc.

Since the laundry is located on the first floor in "The Aquidneck," the only required basement installation is the heating plant. This should be placed under the living room for ease in connecting with the chimney. Then, you'll have more than enough basement space left for that family recreation room. Dad's workshop, Mom's sewing room, etc.

White Equipment In Kitchen Economical

All-white kitchen cabinets and other equipment cost less than those finished in color. Therefore it is economical to buy white ones and add color to the kitchen at low cost by using it freely on walls and floor.

If the kitchen is sunny, fit the color scheme to the natural light by using such wall colors as deep pink, blue or yellow; or pale blue and green. In a shady kitchen which gets very little sunlight, choose warm yellow, orange or pink, but avoid blue and green, which are cool colors.

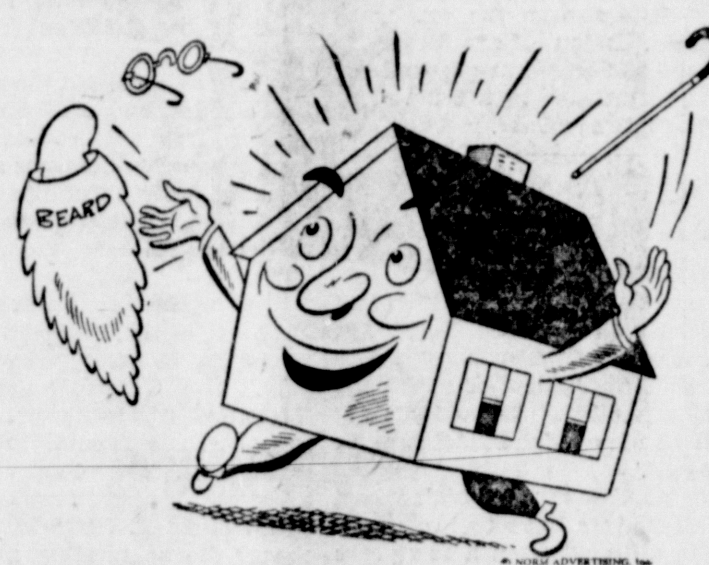

Should Insulate Storage Area Door

When attics are finished off for additional living area it is prudent not to waste the remaining storage space that exists behind the walls of the new rooms.

However, when doors are installed for access to such storage spaces, it is important to insulate the doors the same as the walls are insulated. Mineral wool batts, for instance, can be secured to the backs of such doors in the same way they are fast-

Letters From Germany Reveal Desperate Plight Of Existence Behind Russian Iron Curtain

The lot of a number of Germans, driven from their former residences as a result of the war has improved somewhat, but still leaves much to be desired, according to letters sent by them to a local family in thanking the Gettysburg residents for gifts sent them.

For most of them, apparently from Schlesien, the fact that they cannot return to their native homes causes much distress of mind. But as one of the Germans wrote: "What we have had before the war started, we no doubt never will have again, but we will be satisfied if we are able to procure the necessities from day to day."

One of the German families wrote: "We need, you might say, almost everything, and Germany is as yet so poor and so many items are just not to be had. I am so thankful that you have helped us in our most urgent need. When the first package arrived, we had neither shoes nor hose."

Driven From Homes

The same writer wrote: "When the war started in 1939 we led a simple but happy family life. . . . In 1945, in early January, the eastern part of Germany was overrun by the Russians, and they arrived also in Breslau which was our home. On February 3, 1945, I left the city with my two children and my mother-in-law after days and days of traveling and suffering we were accepted in a fugitive camp in the Sudeten country and there we waited until the end of the war. In the middle of May, this camp was taken by the Russians and Tenecks, and I thank God that I was not molested by these troops. Some terrible things happened there."

"Very shortly after we were advised that we had to leave the place within 24 hours. We went on foot to the nearest highway, waiting for transportation to our home. In the meantime most of what we had taken with us was taken from us and when we arrived on the border of Schlesien we were told that we could not go back to our home."

"We roamed about for about ten weeks, on the highway, without food, eating only what we could find in the fields, and arrived at last in Mecklenberg. We were not received in too friendly a fashion since there were so many looking for a place to stay."

Prisoner Four Years

The writer told of finally being able to locate in a small village "and we are getting slowly to be ourselves again. We managed to get a little work too which enabled us to get a few things to eat. I heard from my husband for the first time in 1947 and thank God he has been with us now since early spring." The husband had been drafted at the beginning of the war. He had been a prisoner of the Pussians for more than four years, being released in 1949.

"The fact that I cannot return to my home town," another wrote, "I feel terrible, because the place where one is born and went to school, ever recalls old memories and causes enough homesickness."

Another wrote the local family: "We were nothing but skeletons. Besides this, we were badly mistreated by the Poles and Russians. What we went through is impossible to put on paper."

Unfold Hardships

Another wrote concerning the Russians: "We were forced, my husband, myself, our daughter-in-law and her child, to leave our home and only with a wagon and two horses could we leave and then only with the most necessary things and not much of that, because we had to take on some other families yet. We went on like gypsies, around the country for eight weeks in weather terribly cold often, in temperatures below zero we were forced to spend the nights in the wagon. Oh how many tears flowed during those hard

times (in 1945) in bitter cold and snow."

Later the family obtained one room in which to live. "Later on we had news our son was a prisoner of war in Russia, then in 1949 in November he arrived home and was astonished to find such conditions, hardly room to turn around, no clothing, for no one cared what happened to us. We finally managed to get him a shirt and a pair of pants so that he could at least show himself in the street. We covered grasses and with that kept the hunger away. It is no life, but what can we do. We try to get along with the people the best we can, but we dare not open our mouths in public."

More Lithofold Gifts Reported

Washington, Sept. 26 (AP)—A former government employee told Monday of receiving expensive gifts and borrowing \$6,100 from an official of American Lithofold Corp. when that company was seeking printing contracts with the air force.

The testimony at a Senate inquiry came from Charles B. Melling, who said he left his \$6,400-a-year publication job with the air force last March to become the \$25,000-a-year eastern division sales manager for American Lithofold.

Melling said Lithofold, a St. Louis printing firm, obtained a number of contracts from the air force but that he couldn't estimate how many or of what value. He declared that he never influenced, or tried to influence, the awarding of contracts.

Melling said he received gifts including a television set, a movie camera and projector, a ham and a turkey from a Lithofold official, Robert A. Blauner.

Letter to the Editor

Dear Sir:

In the spring of 1909 I was at home on Stevens street recovering from typhoid fever. When I was sufficiently recovered to have visitors, Henry Bream, who lived a few doors from us, and the Harley boys at the end of the street and my brother, Lloyd, would come into the room and play marbles. Later when I was able to be down stairs mother and I were at the window one evening watching the boys on the street playing ball. As we watched them she said: "That little Henry Bream always has a ball and glove in his hands. Look at him, he's a slippery little fellow, none of them can catch him. I'll bet he'll make a ball player some day." And then after a pause she said: "Did you ever notice that a freckle-nosed boy always gets through?"

Years later when he was in college and I was away from home, she wrote and told me that he had broken his leg while playing in a game. She said: "I hear it's pretty bad and that he might not be able to play again. But at his age he ought to get over it. I have an idea he'll have a ball and glove in his hands again."

That he was a three letter man at college surely fulfills mother's prediction that he would become a ball player some day.

The first year he was coach his football team won twice as many games as they lost and yet there were some people who wondered why Dr. Hanson hired a boy for a coach.

During his years as coach his football teams have won 98 games, lost 66 and tied 12. His basketball teams have an equally good record. There was a series of 69 games on the home floor with only one loss. Such records ought to be good enough for any school.

And yet some of the fans complain when some games are lost and a lot of the criticism is usually directed at the coach. But watch him sometime, at a critical moment in a game, pacing back and forth on the sidelines. You can easily see that he is worrying, thinking, trying. What more could be asked of any man?

With all his accomplishments and honors he has remained unaffected,

32 Fleeing Czechs To Live In Canada

New York, Sept. 26 (AP)—Homes in Canada will be found for the Czech emigrants and 31 passengers who fled a train through the border to freedom in Germany.

to Stewartstown where they were guests of friends, accompanied by their daughters, Linda and Susan. Brwns of the local Girl Scouts troop, girls who have reached the age of seven and who are interested in becoming Scouts when they attain the required age, met for the first time of the season on Monday afternoon at the "Old Fire Hall." The regular Girl Scouts met there on the evening of the same day.

Gen. Carl A. Spaatz, chairman of the iron curtain refugee campaign, said yesterday that Canadian immigration authorities would screen the group at a camp in Ludwigsburg, Germany.

The Czechs will be sponsored by the International Refugee Committee, a private American organization. In their dramatic dash, the Czechs commandeered the train and fled toward the border at points in the night, and then to the safety of the American Embassy in Prague, where they were met by American officials and taken to the Czechoslovakia at their own request.

IF YOU PREFER A COMBINATION DRILL YOU'LL LIKE THE MASSEY-HARRIS 20-A

Five to Ten Day Earlier Harvests. Bigger, More Profitable Yields with Crops Fertilized as They Are Sown.

With a Massey-Harris 20A you get the benefits of seeding and fertilizing your crop in one operation. A simple feeder drops the fertilizer accurately with the seeds. Your crop gets the nutrients it needs for a good start... an early boost toward bigger harvest dividends. You can adjust the 20A for use with any of the many kinds of commercial fertilizers. A handy lever raises or lowers the gates to suit the 20A to the material and your soil requirements. An agitator prevents clogging... assures smooth uniform flow of fertilizer.

The seed itself is sown with equal accuracy. Every 20A is pre-tested... Every run must seed uniformly... no he... ones... lean... t do the same accurate seeding job. And that means savings in seed, easier harvesting, more and better grain.

Stop in soon. Let's talk over the advantages of owning a Massey-Harris 20A Combination Drill.

ORDNANCE DIST. OPENS CENTER OF PROCUREMENT

The opening of the Philadelphia Ordnance District Procurement Information Center was recently announced by Colonel William K. Ghormley, deputy district chief.

The center, which operates under the technical supervision of the chief, procurement planning division and the small business specialist of this district, will provide appropriate ordnance procurement information to industry. The center also includes a display of sample ordnance items, photographs, invitations for bids, and other essential information pertaining to the procurement of ordnance items and component parts thereof. When available, samples of items for current procurement will be displayed.

To Serve Industry

The purpose of the Procurement Information Center is to serve industry in the Philadelphia Ordnance District area by providing ordnance procurement information to industry and to offer industry, particularly small business, an opportunity to examine in detail representative material, component parts and material for which the Ordnance Corps has procurement responsibility, and for which industry located in this district area may have a capacity to produce either as a prime contractor or on a subcontract basis.

William J. Long, recently appointed small business specialist by the chief of ordnance, will be available with his staff for assistance to interested industrialists. Major M. Frank Laudieri, chief of the procurement planning division, pointed out that the district is currently seeking facilities with capacity for forging and machining of artillery items and gages of all types.

Office In York

The Philadelphia center has been established in the Philadelphia Ordnance District-Robinson Annex (Third floor, Robinson building), 42 So. 15th street, Philadelphia. The hours of operation for the center are 9 a.m. to 4:30 p.m., daily Monday through Friday, except holidays. As an additional aid to industry throughout its area, the Philadelphia Ordnance District maintains copies of current invitations for bids at its York Regional office located at 143 South George street, York. The York Regional office is headed by Captain Pierre Malm and C. E. Allison and invites inquiries and personal visits by industry representatives.

Labor Unification Is Urged By AFL

San Francisco, Sept. 26 (AP) — The American Federation of Labor went into its 71st year today supporting a broad program of labor unification—and with the same officers which have guided its recent history.

Delegates to the AFL's 70th annual convention yesterday unanimously reelected President William Green to his 28th successive year. Thirteen vice presidents and secretary-treasurer George Meany also were given unanimous support for another year in office.

New York was named 1952 convention city.

On the policy side, the 8,000,000-member group—largest in American labor—adopted a resolution calling for organic unity with other American unions. And although it called for meetings with CIO leaders to unite the two big (the CIO has an estimated 4,500,000 members) labor units, it made it clear the union must be on the AFL's terms.

Preference Act Voided By Court

Pittsburgh, Sept. 26 (AP) — The Pennsylvania Supreme Court ruled Monday that the state Veterans' Preference Act of 1945 is unconstitutional. The court nullified the appointment under the act of 10 captains in the Philadelphia Fire department.

The high court opinion was written by Chief Justice James B. Drew. It held that while veterans may be granted the 10-point bonus when they originally are appointed to civil service jobs, it is illegal and unconstitutional to grant them another 10-point bonus when they receive promotions.

Justice Allen M. Stearns filed a dissenting opinion in which Justices Stern and Grover Ladner joined. The dissenting justices said:

"The majority have reached what x x x is an incongruous and untenable legal position."

Reading Company Net Income Down

Philadelphia, Sept. 26 (AP) — The Reading company had net income of \$4,412,164 during the first eight months of this year.

This was a decrease of \$1,132,928 from the same period last year, the company said yesterday.

The reported earnings per share of common stock for the first eight months of 1951 was \$1.818 as compared with \$2.627 during the corresponding period in 1950.

Net income for August was reported at \$503,782, a decrease of \$118,200 from August last year.

New Expulsion Threat In Iran

Tehran, Iran, Sept. 26 (AP) — An Iranian government official said Monday that British technicians in the Iran oil refinery at Abadan will be expelled in a week or 10 days unless they sign individual contracts to work for the nationalized Iranian Oil company.

The announcement was made by Ali Shayaneg, member of the parliamentary oil board.

He said the decision was taken in a three hour meeting of the board with Premier Mohammed Mossadeq this morning.

"We will make no further overtures to the British government concerning the position of the 300 technicians in the closed-down Abadan refinery," he said.

"BIG FALL GUY" GETS WELCOME BACK IN TOWN

By HAL BOYLE
New York, Sept. 26 (AP) — Well, looky who's come to our town! The fall guy himself.

Yes, big-chested autumn, the hinge of the year, the best of the seasons, holding on to summer with one hand and throwing a fist against the face of winter.

Welcome back, strong boy. Comb the vine leaves out of your hair, kid. Sit down and stay for a long, long while.

We heard you hollering in the hills on the way; we feel better already now that you're here. The place is breezier since you blew in—laughing like a happy traveling salesman, full of good stories and fresh gossip of far places.

Back From Recess

Oh, it's always better when the big guy rolls into town. Summer is a warm cocoon, a fat and drowsy time. Summer is for dreaming, and resting and nesting.

But autumn is for scheming. Autumn is a git-up-and-go-on-within-new-living month. Autumn is a signal to call us back from recess—a bugle to send us back into the battle and try to make our dreams come true, before chill winter wraps us in the year's cold cocoon.

It is the season of new projects, higher goals, bigger problems—and fresh faith to deal with them.

The bee forsakes the flower; the mosquito sheathes his sword; the apple, a ripe forfeit to time, drops cider-ready from the bough. The cheerful farmer counts his year's rewards. The cheerful farmer's wife thumbs the mail order catalog, or wends to town to buy a bigger deep freeze.

New Shows Opening

The fox barks at night on a country ridge; his two-footed cousin, the city wolf, is back on his favorite street corner, whistling for his troubles.

Baby gets over his last colic, and a new boy carries sister's books home from high school. "He's a nice boy, too," says mama, papa grunts. "He looks like a half-grown ape in corduroy to me." And then he bawls out big brother for saying, "I think I'm old enough to have the car every Friday night this year, dad. How about it?"

New shows are opening. Young actors, home from summer barn theaters, go back to their drugstore jobs and hope . . . And wait . . . And wait . . . And hope. For hope is the brightest autumn crop on Broadway.

Thrill For Everybody

Down on the Bowery the bums wrap more newspapers around their feet in their open doorway beds. Lonely people climbing lonely tenements hear a sharper creak in the old stairs.

Executives map out new advertising appropriations, bigger plant expansions, wider sales promotions. . . And wonder if they'll be able to afford two weeks in Florida next January. In Wall street the clerks and stenographers wonder if the Christmas bonus will be big enough to give them a week in Florida, too. The housewife ominously begins clipping the fur coat ads with a determined look that says, "This year or never."

Oh, but a thrill runs through everybody, a pulse of fresh energy and belief that the world is good. Life is electricity, the blood holds an unreasoning joy.

It's always that way when the big fall guy comes back, the high-pressure salesman of the year. And he always brings a product worth buying.

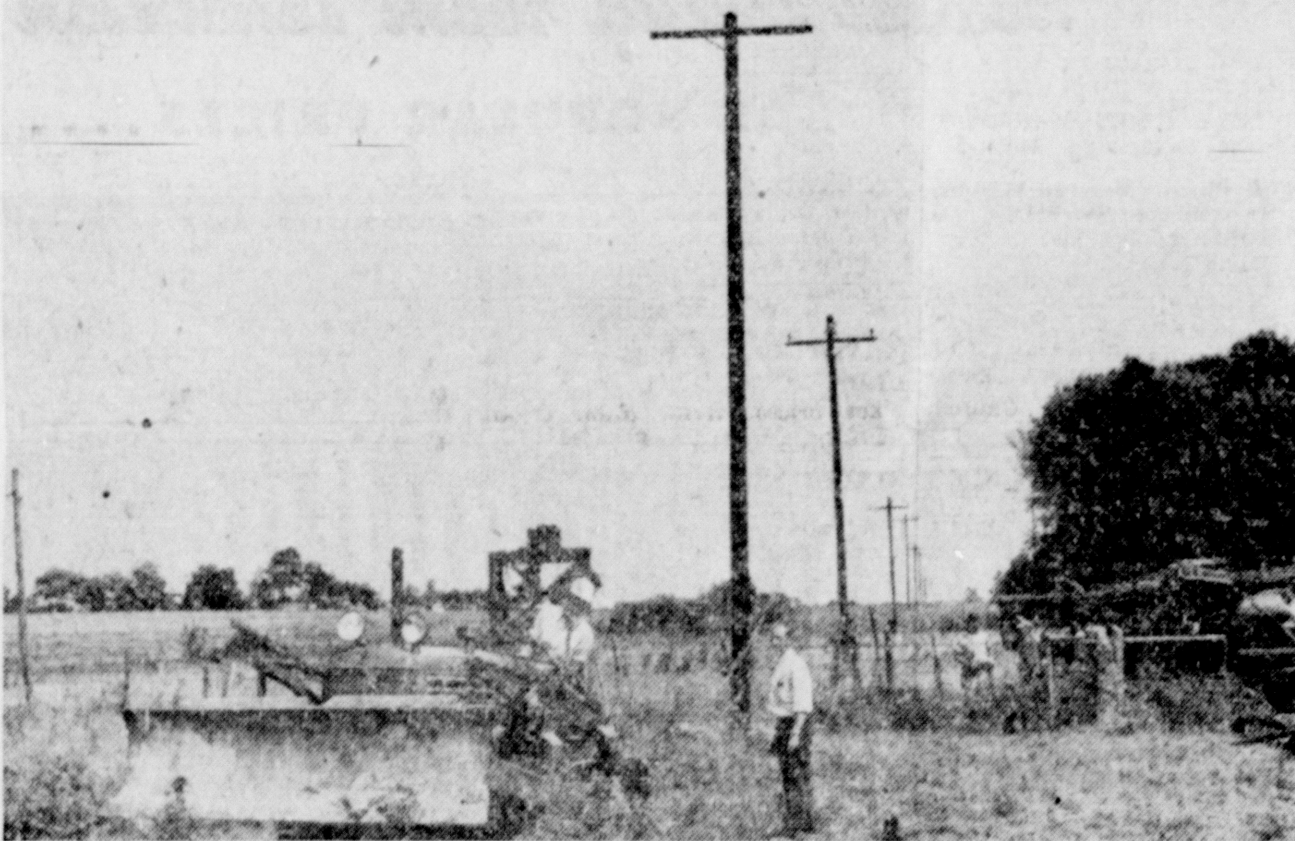

Washington, Sept. 26 (AP) — Henry A. Wallace says he did "not recommend any political coalition" between the warring Nationalist and Communist factions in China in 1944.

President Truman Monday made public a letter from Wallace, together with the reports he prepared for the late President Roosevelt on his mission to China to recommend measures to strengthen her against the Japanese.

Shamokin, Pa., Sept. 26 (AP)—Some 150 students of Mount Carmel township high school, returned to classes Monday ending a strike protesting a proposed merger with the Mount Carmel borough school district.

The students, who left classes last Wednesday, ended the strike on a promise by the Mount Carmel taxpayers association to start a court suit against the township school district.

Workmen Build New Power Line

One of the final phases of the work of building a new power line to Orrtanna is the splicing of the sections of aluminum wire. In the top photo James Tuckey, David Noel and Harold Sharpe are shown operating the hydraulic press that makes these splices. Richard Naugle (center photo) is shown using a "walkie-talkie" radio set to keep in touch with fellow workers during construction of the new power line.

The aluminum wire is being pulled off the reel by a bulldozer (lower photograph) under the supervision of J. D. Munshour, of Gettysburg, who is shown standing nearby. Ross Myers is the operator of the bulldozer.

vania hunting license, a special \$2 archery license is required. Both these licenses are necessary for everybody who desires to hunt deer in the special archery season (no exceptions).

The second will be the customary "back" season, December 3 to 13, inclusive, when only the

regular hunting license is needed. In both of these seasons only male deer with two or more points to one antler may be taken.

In the third, or antlerless season, in both of these seasons only deer without visible antlers may be harvested. A \$1.10 antlerless deer license is required of a "doe" hunter, in addition to the regular hunting license.

The Commission emphasizes that, regardless of the number of deer seasons or the number of licenses held by an individual, a hunter in Pennsylvania may

legally take but one deer in 1951.

The farmer and his relationship with government programs aimed to help farmers is discussed in the current issue of Business Week magazine. It is called "Conscience Money." A Michigan farmer sent back \$11 to the federal government in two separate checks. Each had paid him for attending a lecture meant to teach farmers better methods. Neither lecture, he said, had taught him anything he didn't know, so he returned the pay.

Littlestown GIRL SCOUTS MAP ACTIVITIES

Girl Scout Week activities were discussed at the meeting of the Littlestown Girl Scout Troop committee members held on Monday evening at the engine house with the president, Mrs. John E. Stambaugh, in charge. Girl Scout Week, held in honor of Juliet Low, the founder, will be observed the week of October 28. The local troop members, troop leaders and committee members will attend the morning worship service in one of the community churches on Sunday, October 28, in a body. During G. S. Week a fly-up ceremony will be held for the Brownies. The definite time and place of the ceremony will be announced later. It is customary for the local scouts to have a window display during the Scout Week and the troop leaders were appointed to serve as a committee to secure a place for the display and arrange it.

It was announced that the National Girl Scout convention will be held from October 15 through 18 in Boston, Mass. Mrs. Raymond Sheely, of Gettysburg, president of the Adams County Girl Scout Council, and Mrs. Fred Slough, of York Springs, vice president of the council, will attend the conference as county delegates. The committee members decided to hold a court of awards on Friday, November 2. More details concerning the court will be announced later.

Twenty members of the local scouts will help solicit the community for contributions for the annual Hanover hospital drive, on Monday, October 8, at 6 p.m. The present project now under consideration by the committee is that of buying new uniforms for the Senior scouts. The matter was discussed at length but no definite decision was made. It was announced that from 9:15 to 9:30 a.m. on the last Friday of every month, Girl Scout Work is featured on a program over WGET, Gettysburg. The next regular meeting of the committee will be held Monday, October 22, at the engine house. Those in attendance Monday evening were Mrs. Stambaugh, Miss Harriet Badders, Mrs. LeRoy Helwig, Mrs. Charles E. Raberstone, Mrs. Melvin B. Wehler, Mrs. Norman J. Hahn, Mrs. George W. Strevig, Mrs. Wilbur A. Bankert, Mrs. John H. Riley, Mrs. J. Donald Lemmon, Mrs. J. Harvey Pettyjohn, Mrs. Carroll E. Arter, Mrs. Charles H. Fissel, Mrs. Carl H. Baumgardner, Mrs. Malcolm I. Heiser and Mrs. Robert H. Thomas.

St. Aloysius Parish Council of Catholic Women will hold its first fall meeting this evening at 7:30 o'clock in the parish hall. The an-

nual donations for the Sisters of Mercy will be received at this meeting. The September committee consists of the newly elected officers.

Personal Notes

Mr. and Mrs. John N. Sell and family, East King street, entertained the following at dinner on Sunday: Mr. and Mrs. Gordon Myers and son, Douglas, Mr. and Mrs. Robert Sanders and Mrs. Lauretta Myers, all of Baltimore, and Elizabeth Willets, Jersey City. Sunday evening guests at the Sell home were Mr. and Mrs. Laverne Wisler, Hanover, and Mr. and Mrs. Ralph I. Unger and son, Larry.

Mr. and Mrs. Robert H. Miller and children, Wayne and Marilyn, South Queen street, visited on Sunday evening at the home of Mr. and Mrs. Harry S. Noel, Hanover. Additional guests at the Noel home that evening included Mr. and Mrs. Noah K. Miller, Los Angeles, Calif., who are visiting relatives in this vicinity for the first time since 1923; Mr. and Mrs. Horace E. Walker and Mr. and Mrs. Buren Waltersdorff, Hanover.

John Staley and Mr. and Mrs. George Rhodes, Jr., and children, Barry and Sandra, East King street, have returned home after visiting for two weeks with Mr. Staley's daughter and Mrs. Rhodes' mother, Mrs. Edward Appleman, Detroit, Mich. Enroute home they did some sightseeing in Canada and viewed Niagara Falls.

Mr. and Mrs. Stanley R. Sell, near town, visited during the week-end with their son and daughter-in-law, Mr. and Mrs. Kenneth D. Sell, Lancaster. The latter Mr. Sell has enrolled as a student at the Reformed Theological seminary, that place, where he will pursue the three-year course in preparation for the ministry.

Funeral services for Mrs. Catherine S. Deveney, 82, widow of Jacob Deveney, who died at her home near White Hall, Littlestown R. 2, Sunday morning following an illness of several months, were held on Tuesday afternoon at 2:30 o'clock from the J. W. Little and Son funeral home, Littlestown. The Rev. Frank E. Reynolds, pastor of Redeemer's Evangelical and Reformed church, Littlestown, officiated. Interment was in the New Oxford cemetery. Serving as pallbearers were Quinton D. Rebert, Guy Rucker, Stewart and Edward Newman.

7 Convicted On Narcotics Charges

Baltimore, Sept. 26 (AP) — Seven persons convicted of narcotics charges were being held in jail today awaiting sentence by criminal Judge Joseph Sherbow.

They were convicted yesterday in a series of eight dope trials. One person was acquitted.

Girls of high school age testified for the state, relating how they be-

CRACK DOWN ON MEAT INDUSTRY; 96 VIOLATIONS

Washington, Sept. 26 (AP)—The full enforcement strength of the Office of Price Stabilization (OPS) fell on the nation's meat packing and distributing industry yesterday and as the day closed OPS agents charged 96 price control violations in 27 cities.

It was a temporary and incomplete total. The Atlanta price office said enforcement raids there showed a "majority" of big and little slaughterers in violation. The Los Angeles office announced packers in its area "fairly generally" failed to keep required records and in other cases refused to open their records to inspection.

St. Paul, Minn. headed the violations list—with 30 alleged offenses—in first reports from the over 200 cities where OPS inspection teams invaded meat plants, checking all angles of the business concerned in OPS regulations. Reported violations ranged from charges of over-weighing prices to falsely weighed carcasses, inaccurate scales, improper grading and stamping of meat, and incomplete records.

Under Legal Microscope

As OPS Director Michael V. DiSalle's enforcement officials by the hundreds put the meat industry under a legal microscope, the price boss himself took the offensive with a speech at San Diego, Calif. He declared meat prices are too high, accused some elements of the beef industry of trying to destroy price controls and declared OPS will not "surrender."

DiSalle cited specifically the American Meat Institute, which hit back with a statement that DiSalle is a "frustrated individual" whose control program is "totally unworkable" and is "leading to chaos in the public's beef supply."

The meat institute said, "The solution will get progressively worse unless controls are promptly removed."

gan smoking marihuana and taking heroin.

Judge Sherbow called the trials the "most sickening experience" of his long legal career.

The U. S. census shows 12 per cent of American males over 18 have completed at least one year of college.

ORDNANCE DIST. OPENS CENTER OF PROCUREMENT

The opening of the Philadelphia Ordnance District Procurement Information Center was recently announced by Colonel William K. Ghormley, deputy district chief.

The center, which operates under the technical supervision of the chief procurement planning division and the small business specialist of this district, will provide appropriate information to industry, particularly small business, an opportunity to examine in detail representative items, component parts and material for which the Ordnance Corps has procurement responsibility, and for which industry located in this district area may have a capacity to produce either as a prime contractor or on a subcontract basis.

William J. Long, recently appointed small business specialist by the chief of ordnance, will be available with his staff for assistance to interested industrialists. Major M. Frank Laidier, chief of the procurement planning division, pointed out that the district is currently seeking facilities with capacity for forging and machining of artillery items and gages of all types.

To Serve Industry

The purpose of the Procurement Information Center is to serve industry in the Philadelphia Ordnance District area by providing ordnance procurement information to industry and to offer industry, particularly small business, an opportunity to examine in detail representative items, component parts and material for which the Ordnance Corps has procurement responsibility, and for which industry located in this district area may have a capacity to produce either as a prime contractor or on a subcontract basis.

William J. Long, recently appointed small business specialist by the chief of ordnance, will be available with his staff for assistance to interested industrialists. Major M. Office In York

The Philadelphia center has been established in the Philadelphia Ordnance District-Robinson Annex (Third floor, Robinson building), 42 So. 15th street, Philadelphia. The hours of operation for the center are 9 a.m. to 4:30 p.m., daily Monday through Friday, except holidays.

As an additional aid to industry throughout its area, the Philadelphia Ordnance District maintains copies of current invitations for bids at its York Regional office located at 143 South George street, York. The York Regional office is headed by Captain Pierre Malm and C. E. Allison and invites inquiries and personal visits by industry representatives.

Labor Unification Is Urged By AFL

San Francisco, Sept. 26 (AP) — The American Federation of Labor went into its 151st year today supporting a broad program of labor unification—and with the same officers which have guided its recent history.

Delegates to the AFL's 16th annual convention yesterday unanimously reelected President William Green to his 28th successive year. Thirteen vice presidents and secretary-treasurer George Meany also were given unanimous support for another year in office.

New York was named 1952 convention city.

On the policy side, the 8,000,000-member group—largest in American labor—adopted a resolution calling for organic unity with other American unions. And although it called for meetings with CIO leaders to unite the two big, the CIO has an estimated 4,500,000 members, labor unions, it made it clear the union must be on the AFL's terms.

Preference Act Voided By Court

Pittsburgh, Sept. 26 (AP) — The Pennsylvania Supreme Court ruled Monday that the state Veterans' Preference Act of 1945 is unconstitutional. The court nullified the appointment under the act of 19 veterans in the Philadelphia Fire department.

The suit, brought by a group of veterans, charged that the act was unconstitutional because it gave preference to veterans in hiring for jobs that were not created by the war.

The court's decision was a victory for the veterans' group, which had argued that the act was unconstitutional because it gave preference to veterans in hiring for jobs that were not created by the war.

Reading Company Net Income Down

Philadelphia, Sept. 26 (AP) — The Reading Company had net income of \$441,164 during the first nine months of the year.

The company's net income for the first nine months of 1961 was \$441,164, compared with \$2,627 during the corresponding period in 1960.

Net income for August was reported at \$503,782, a decrease of \$11,620 from August last year.

New Expulsion Threat In Iran

Tehran, Iran, Sept. 26 (AP) — An Iranian government official said Monday that British technicians in the Iran oil refinery at Abadan will be expelled in a week or 10 days unless they sign individual contracts to work for the nationalized Iranian Oil company.

The announcement was made by Ali Shavayan, member of the parliamentary oil board.

He said the decision was taken in a three-hour meeting of the board with Premier Mohammed Mossadeq this morning.

We will make no further overtures to the British government concerning the position of the 300 technicians in the closed-down Abadan refinery, he said.

"BIG FALL GUY" GETS WELCOME BACK IN TOWN

By HAL BOYLE
New York, Sept. 26 (AP) — Well, looky who's home to our town! The fall guy himself!

Yes, tip-toed autumn, the hodgepodge of the year, the best of the seasons, holding on to summer with one hand and throwing a fist against the face of winter.

Welcome back, strong boy. Comb the vine leaves off of your hair, kid. Sit down and stay for a long, long while.

We heard you hollering in the hills on the way; we feel better already now that you're here. The place is breezier since you blew in—laughing like a happy traveling salesman, full of good stories and fresh gossip of far places.

Back From Recess

Oh, it's always better when the big guy rolls into town. Summer is a warm cocoon, a fat and crowsy time. Summer is for dreaming, and resting and nesting.

But autumn is for scheming. Autumn is a sit-up-and-go-on-with-new-living month. Autumn is a signal to call us back from recess—a bugle to send us back into the battle and try to make our dreams come true, before chill winter wraps us in the year's cold cocoon.

It is the season of new projects

higher goals, bigger problems—and fresh faith to deal with them.

The bee forsakes the flower; the mosquito sheathes his sword; the apple, a ripe forfeit to time, drops cider-ready from the bough. The cheerful farmer counts his year's rewards. The cheerful farmer's wife thumbs the mail order catalog, or wanders to town to buy a bigger deep freeze.

New Shows Opening

The fox barks at night on a country ridge; his two-footed cousin, the city wolf, is back on his favorite street corner, whistling for his troubles.

Baby gets over his last colic, and a new boy carries sister's books home from high school. "He's a nice boy, too," says mama, papa grunts. "He looks like a half-grown ape in corduroy to me." And then he bawls out big brother for saying, "I think I'm old enough to have the car every Friday night this year, dad. How about it?"

New shows are opening

Young actors, home from summer barn theaters, go back to their drugstore jobs and hope . . . And wait . . . And hope. For hope is the ugliest autumn crop on Broadway.

Thrill For Everybody

Down on the Bowery the hump wrap more newspapers around their feet in their open doorway beds. Lonely people climbing lonely tenements hear a sharper crack in the old stairs.

Excuses map out new advertising

Excuses map out new advertising appropriations, larger plant expansions, wider sales promotions. And wonder if they'll be able to afford two weeks in Florida next January. In Wall Street the clerks and photographers wonder if the Christmas bonus will be enough to give them a week in Florida too. The newswriter, naturally, begins clipping the time he adds with a determined look on his face.

The year's better . . .

Oh, but a thrill goes through everybody's spine. It's a feeling of relief that the year's over. It's a feeling that the year's over.

Workmen Build New Power Line

One of the final phases of the work of building a new power line to Orrtanna is the splicing of the sections of aluminum wire. In the top photo James Tuckey, David Noel and Harold Sharpe are shown operating the hydraulic press that makes these splices. Richard Naugle (center photo) is shown using a "walkie-talkie" radio set to keep in touch with fellow workers during construction of the new power line.

Neither lecture, he said, had taught him anything he didn't know, so he returned the pay.

Littlestown GIRL SCOUTS MAP ACTIVITIES

Girl Scout Week activities were discussed at the meeting of the Littlestown Girl Scout Troop committee members held on Monday evening at the engine house with the president, Mrs. John E. Stambaugh, in charge. Girl Scout Week, held in honor of Juliet Low, the founder, will be observed the week of October 28. The local troop members, troop leaders and committee members will attend the morning worship service in one of the community churches on Sunday, October 28, in a body. During G. S. Week a fly-up ceremony will be held for the Brownies. The definite time and place of the ceremony will be announced later. It is customary for the local scouts to have a window display during the Scout Week and the troop leaders, were appointed to serve as a committee to secure a place for the display and arrange it.

It was announced that the National Girl Scout convention will be held from October 15 through 18 in Boston, Mass. Mrs. Raymond Sheely of Gettysburg, president of the Adams County Girl Scout Council, and Mrs. Fred Slough, of York Springs, vice president of the council, will attend the conference as county delegates. The committee members decided to hold a court of awards on Friday, November 2. More details concerning the court will be announced later.

Twenty members of the local scouts will help solicit the community for contributions for the annual Hanover hospital drive, on Monday, October 8, at 6 p.m. The present project now under consideration by the committee is that of buying new uniforms for the Senior scouts. The matter was discussed at length but no definite decision was made. It was announced that from 9:15 to 9:30 a.m. on the last Friday of every month, Girl Scout Week is featured on a program over WGET, Gettysburg. The next regular meeting of the committee will be held Monday, October 22, at the engine house. Those in attendance Monday evening were Mrs. Stambaugh, Miss Harnet Badders, Mrs. LeRoy Helwig, Mrs. Charles E. Rabenstein, Mrs. Melvin B. Wehler, Mrs. Norman J. Hahn, Mrs. George W. Strevig, Mrs. Wilbur A. Bankert, Mrs. John H. Riley, Mrs. J. Donald Lemmon, Mrs. J. Harvey Pettyjohn, Mrs. Carroll E. Arter, Mrs. Charles H. Fissel, Mrs. Carl H. Baumgardner, Mrs. Malcolm I. CRACK DOWN ON MEAT INDUSTRY; 96 VIOLATIONS

Washington, Sept. 26 (AP) — The full enforcement strength of the Office of Price Stabilization (OPS) fell on the nation's meat packing and distributing industry yesterday and as the day closed OPS agents charged 56 price control violations in 27 cities.

It was a temporary and incomplete total. The Atlanta price office said enforcement raids there showed a "majority" of big and little slaughterers in violation. The Los Angeles office announced packers in its area "fairly generally" failed to keep required records and in other cases refused to open their records to inspection.

St. Paul, Minn. headed the violations list—with 30 alleged offenses—in first reports from the over 200 cities where OPS inspection teams invaded meat plants, checking all angles of the business concerned in OPS regulations. Reported violations ranged from charges of overpricing to falsely weighed carcasses, inaccurate scales, improper grading and stamping of meat, and incomplete records.

Under Legal Microscope

As OPS Director Michael V. DiSalle's enforcement officials by the hundreds put the meat industry under a legal microscope, the price boss himself took the offensive with a speech at San Diego, Calif. He declared meat prices are too high, accused some elements of the beef industry of trying to destroy price controls and declared OPS will not "surrender."

DiSalle cited specifically the American Meat Institute, which hit back with a statement that DiSalle is a "frustrated individual" whose control program is "totally unworkable" and is "leading to chaos in the public's beef supply."

The meat institute said, "The solution will get progressively worse unless controls are promptly removed."

SEE CLOSE VOTE IN SENATE TODAY ON INCOME TAX

Harrisburg, Sept. 26 (AP)—The state Senate came today to its big day of decision—a vote on the state income tax. Nobody would predict the result. Both Republican and Democratic leaders agreed that the vote would be close.

Chairman T. Newell Wood (R-Luzerne) of the Senate Finance committee summed up the thinking of the most of his colleagues: "I don't know if it will pass. It could go one way or the other by a very close vote."

6 Months Of Argument
The administration faced the big hurdle of enlisting enough Democratic votes to pass the one-half of one percent levy.

It counted on five to seven Democratic senators to withdraw their opposition to the levy by the time the balloting starts after 3 p.m. (EST).

Nineteen Republican senators have pledged their votes for the bill. Two others offered qualified support. The remaining nine Repub-

licans were apparently solidly against the disputed measure. Twenty-six votes are needed to pass the bill.

The vote on the levy climaxes six months of argument and the longest legislative fight in modern state history. The 1951 session, bogged down by a tax impasse, is already the longest since 1776.

3 Special Measures
The Senate will vote on the income levy together with three other tax measures as a special order of business.

The companion bills call for imposing a one percent tax on real estate transfers and closing loopholes in inheritance tax collections by sealing safe deposit boxes and freezing bank accounts upon the death of an individual in certain cases.

The income tax would bring in an estimated \$120,000,000 in revenue despite a provision for a \$5 rebate to taxpayers who make returns 30 days prior to the filing date.

The real estate transfers impost would raise \$24,000,000 and the inheritance tax changes, an additional \$2,500,000.

Delay Loyalty Oath Vote
Although the tax issue dominated the legislative picture, the lawmakers also devoted themselves with measures to outlaw the Communist party in Pennsylvania and

to require all public employees to take a loyalty oath.

The Senate Judiciary General committee approved late yesterday the bill to make it a crime to be a member of the Communist party. Chairman A. Evans Keparth (R-Phila.) said the bill was amended to meet Justice Department objections on constitutionality.

The House put off a vote on the loyalty oath measure while pressure built up to return it to the House State Government committee for pigeon-holing.

Although there wasn't a word of debate yesterday when the Senate advanced the tax bills for a final vote, Senate Democrats fought among themselves on procedure in voting on the measures.

For the Man or Woman Who Drags To Work —

Yet Feels Like Staying In Bed Tired - Wornout - Discouraged

"What You Should Try Is The New Iodine-Iron-Vitamin Tonic," says Peoples Drug Store

If you are rundown—low spirited—have sleepless nights—no energy—"nerves"—poor appetite, don't be discouraged! Chances are you are just not getting your full daily requirements of the necessary vitamins and minerals from the food you eat. What you should do is try FERRIZAN—the new dietary supplement and reconstructive tonic. FERRIZAN not only gives you your full quota of many of the essential vitamins but also supplies the equally important iron for the blood and iodine for the ductless glands plus needed Calcium and Phosphorus. Often in ten days you may feel the difference; your friends notice it. Back comes your appetite—you should actually feel the urge to eat. Nerves can grow staidier; work easier; you may sleep more soundly. So why delay? Why not decide now to make FERRIZAN for 30 days and see for yourself just how wonderful FERRIZAN can make you feel. Costs you only a few cents a day. Money refunded if not completely satisfied, says PEOPLES DRUG STORE.
